WHEREAS, the Mayor and Council of the City of Bisbee, Arizona (the "City"), have determined to fund all or a portion of the City's unfunded liabilities (the "Funding") with respect to the Arizona Public Safety Personnel Retirement System ("PSPRS") and in connection therewith acquire the evidence of payment executed and delivered by PSPRS as a result of the Funding (the "Project"), by entering into a Second Purchase Agreement, to be dated as of the first day of the month of the dated date of the hereinafter described Obligations established as provided herein (the "Purchase Agreement"), with a trustee bank authorized to exercise corporate trust powers in the State of Arizona appointed as provided herein, as trustee (the "Trustee"), in its separate capacity as "Seller"; and

WHEREAS, in connection with the Purchase Agreement, the Mayor and Council of the City have deemed it necessary and desirable to provide for the sale and execution and delivery of pledged revenue obligations, to be designated "Pledged Revenue Obligations, Taxable Series 2022" (the "Obligations"), evidencing proportionate interests of the owners of the Obligations in payments to be made by the City to the Trustee pursuant to a Second Trust Agreement, to be dated as of the first day of the month of the dated date of the Obligations established as provided herein (the "Trust Agreement"), between the Trustee and the City, such payments to be made pursuant to the Purchase Agreement; and

WHEREAS, the payments represented by the Obligations will be secured by amounts received under the Purchase Agreement pursuant to which the City will pledge Pledged Revenues (as defined in the Trust Agreement); and

The Authorized Representatives are authorized to negotiate with and secure, with proceeds of the Obligations or otherwise, such an insurance policy, from one or more institutions, the claims-paying ability of which are then assigned one of the two highest rating categories by a nationally recognized credit rating agency. The Authorized Representatives are authorized to execute and deliver any instruments or documents necessary in connection with the purchase of any such insurance policy, including those making provision for the repayment of amounts advanced by the institutions issuing such insurance policy.

(d) The form and other terms of the Obligations, including the provisions for the signatures, authentication, payment, registration, transfer, exchange, redemption and number shall be as set forth in the Trust Agreement and are approved.

(e) The Procedures are hereby adopted to establish policies and procedures related to the purposes set forth in the Recitals hereto. The right to use discretion as necessary and appropriate to make exceptions or request additional provisions with respect to the Procedures as may be determined is hereby reserved. The right to change the Procedures from time to time, without notice, is also reserved.

Section 2. The Obligations are to be sold to the Underwriter pursuant to the terms of the Purchase Contract, such terms to be determined as provided hereinabove.

Section 3. The forms, terms and provisions of the Purchase Agreement, the Trust Agreement, the Purchase Contract and the Undertaking, in substantially the forms of such documents (including the Obligations and other exhibits thereto) presented at the meeting of the Mayor and Council of the City at which this Resolution is being adopted are approved, with such final provisions, insertions, deletions and changes as determined as provided hereinabove, and shall be approved by the Mayor of the City, any other member of the Council, and, in the case of the Purchase Contract, the Authorized Representatives, the execution of each such document being conclusive evidence of such approval. The Mayor of the City or any other member of the Council and, in the case of the Purchase Contract, the Authorized Representatives, and the Clerk of the City, where applicable, are authorized and directed, for and on behalf of the City, to execute and deliver and attest or approve the Purchase Agreement, the Trust Agreement, the Purchase Contract and the Undertaking, in each case as necessary and as applicable, and to take all action to carry out and comply with the terms of such documents.

Section 4. The distribution of the Preliminary Official Statement by the Underwriter is approved, and the Official Statement in substantially the form of the Preliminary Official Statement, with such changes or revisions therein from the form of the Preliminary

Official Statement as may be approved by the Authorized Representatives, is approved, and the Authorized Representatives are authorized, empowered and directed, in the name and on behalf of the City, to execute and deliver the same to the Underwriter and to execute and deliver instruments confirming that the Preliminary Official Statement is “deemed final” in accordance with the Rule.

Section 5. The Trustee (including in its separate capacity as Seller) is requested to take any and all action necessary in connection with the execution and delivery of the Purchase Agreement and the Trust Agreement and the sale and execution and delivery of the Obligations and is further authorized and directed to take such action as may be reasonable for the administration of the trust so held by it.

Section 6. The covenants and agreements contained in the Purchase Agreement as to the pledge of and the lien on Pledged Revenues and the restriction on the issuance of further parity obligations secured by Pledged Revenues are approved and confirmed.

Section 7. The Authorized Representatives and other officers of the City, on behalf of the City, are authorized and directed, without further order of the Mayor and Council of the City, to do all such acts and things and to execute and deliver all such certificates, proceedings, agreements and other documents as may be necessary or convenient to be executed and delivered on behalf of the City to evidence compliance with, or further the purposes of, all the terms and conditions of this Resolution and the consummation of the transactions contemplated hereby and as may be necessary to carry out the terms and intent of this Resolution.

Section 8. All actions of the officers and agents of the City which conform to the purposes and intent of this Resolution and which further the sale and execution and delivery of the Obligations as contemplated by this Resolution, whether heretofore or hereafter taken, are ratified, confirmed and approved.

Section 9. If any section, paragraph, clause or phrase of this Resolution shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or phrase shall not affect any of the remaining provisions of this Resolution. All orders, resolutions and ordinances or parts thereof inconsistent herewith are hereby waived to the extent only of such inconsistency. This waiver shall not be construed as reviving any order, resolution or ordinance or any part thereof.

Section 10. The immediate operation of the provisions of this Resolution is necessary for the preservation of the public peace, health and safety of the City for the reason that the Obligations authorized herein must be sold immediately to secure the best, available economic terms therefor; an emergency is, therefor, declared to exist, and this Resolution is enacted as an emergency and shall be in full force and effect immediately upon its passage by the Mayor and Council of the City, as required by law, and it is hereby exempt from the referendum provisions of the Constitution and laws of the State of Arizona. SECOND PURCHASE AGREEMENT

THIS SECOND PURCHASE AGREEMENT, dated as of _____ 1, 2022 (this "Agreement"), by and between the CITY OF BISBEE, ARIZONA, a municipal corporation under the laws of the State of Arizona ("City"), as purchaser hereunder, and _____, a national banking association authorized to execute trust powers in the State of Arizona ("Trustee"), in its capacity as trustee under the Second Trust Agreement, dated as of even date herewith (the "Trust Agreement"), by and between Trustee and City and as seller hereunder,

WITNESSETH:

WHEREAS, pursuant to Resolution No. _____ adopted on _____, 2022, the Mayor and Council of City determined that the Obligations (as such term and all other terms not otherwise defined herein are defined in the Trust Agreement) be sold and executed and delivered; and

WHEREAS, pursuant to the Trust Agreement, Trustee has caused deposits to be made as described in the Trust Agreement in order to finance the costs of the Project; and

WHEREAS, City is a municipal corporation duly incorporated and validly existing under the laws of the State; the Constitution and the laws of the State authorize City to enter into this Agreement and the transactions contemplated by this Agreement; City has duly authorized and executed this Agreement; this Agreement is a lawful, valid and binding obligation of City, enforceable against City in accordance with its terms; all required procedures for execution and performance of this Agreement, have been or will be complied with in a timely manner; the Payments will be paid when due out of funds which are legally available for such purposes; and neither the execution and delivery of this Agreement or the Trust Agreement, nor the fulfillment of or compliance with the terms and conditions hereof or thereof nor the consummation of the transactions contemplated hereby or thereby, conflicts with or results in a breach of the terms, conditions or provisions of any restriction or any agreement or instrument to which City is now a party or by which City is bound, or constitutes a default under any of the foregoing, or results in the creation or imposition of any lien, charge or encumbrance whatsoever upon any of the property or assets of City; and

WHEREAS, Trustee has full legal authority and is duly empowered to enter into this Agreement and has taken all actions necessary to the execution and delivery hereof;

NOW THEREFORE, PURSUANT TO LAW AND FOR AND IN CONSIDERATION OF THE MUTUAL COVENANTS HEREINAFTER CONTAINED, IT IS HEREBY AGREED AS FOLLOWS:

Section 1. Term and Payments.

(a) In order to finance the costs of the Project, City hereby sells and conveys any interests it has in the Project to Trustee, without recourse, representation or warranty, for the sum of \$10.00 and other valuable consideration had and received. For the amounts payable pursuant hereto (including the Payments), Trustee in turn hereby sells and conveys back to City,

without recourse, representation or warranty, and City hereby purchases and accepts, from Trustee, any interests Trustee has in the Project.

(b) As the purchase price, City shall make the Payments to Trustee at the address specified in the Trust Agreement for Trustee (or such other address as Trustee may designate in writing) on the dates and in the amounts set forth in the Schedule attached hereto and made a part hereof.

City shall also pay to Trustee its fees and expenses in accordance with the provisions of the Trust Agreement.

City shall further also pay all amounts necessary for compliance with the Continuing Disclosure Undertaking.

City shall receive a credit against amounts so due, equal to any amounts held in the Payment Fund in excess of the amount then required to be in the Payment Fund. If the balance available in the Payment Fund after a Payment is insufficient to make the next required payments of principal and interest due on the Obligations on the next date for payment thereof, City shall pay any such deficiency in sufficient time to prevent default in the payment of principal of or interest on the Obligations falling due on such date.

(c) This Agreement shall be deemed and construed to be a “*net purchase agreement*,” and the Payments shall be an absolute net return to Trustee, free and clear of any expenses or charges whatsoever, except as otherwise specifically provided herein. The obligation of City to pay the amounts described in Subsection (b) hereof (including the Payments) from the sources described herein and to comply with the other provisions hereof shall be absolute and unconditional and shall not be subject to any defense or any right of set-off, abatement, counterclaim, or recoupment arising out of any breach by Trustee of any obligation to City or otherwise, or out of indebtedness or liability at any time owing to City by Trustee. Until such time as all of the payments described in Subsection (b) hereof (including the Payments) shall have been fully paid or provided for, City (i) shall not suspend or discontinue the same, (ii) shall comply with the other provisions hereof, and (iii) shall not terminate this Agreement for any cause, including, without limiting the generality of the foregoing, any change in the tax or other laws of the United States of America or of the State or any political subdivision of either or any failure of Trustee to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with the Trust Agreement or this Agreement. Nothing contained in this Section shall be construed to release Trustee from the performance of any of the agreements on its part herein or in the Trust Agreement contained, and, in the event Trustee shall fail to perform any such agreements on its part, City may institute such action against Trustee as City may deem necessary to compel performance so long as such action does not abrogate the obligations of City contained in the first sentence of this Subsection.

(d) Any of the payments described in Subsection (b) hereof (including the Payments) due on a day which is not a Business Day may be made on the next Business Day and will be deemed to have been made on the date due.

Section 2. Pledge; Limited Obligations.

(a) Pledged Revenues are hereby irrevocably pledged by City to the payment of all amounts described in Subsection 1(b) hereof (including the Payments), and payment of such amounts shall be secured by a paramount and first pledge and lien on Pledged Revenues, on parity with the pledge and lien granted by City for the payment and security of the First Purchase Agreement and any Additional Revenue Obligations (**the definition of “State Shared Revenues” in the First Purchase Agreement shall, upon execution and delivery of this Agreement, be treated as identical to the definition provided in the Trust Agreement, the primary change being inclusion of “vehicle license taxes” in the definition of State Shared Revenues, and the pledge of State Shared Revenues for the payments due pursuant to the First Purchase Agreement is hereby expanded to include such additional revenues**). (Pledged Revenues shall not secure any obligations senior to the Obligations, the First Purchase Agreement and any Additional Revenue Obligations.) City shall make said payments from Pledged Revenues (first paying to the United States of America any amounts required by Section 11(b)(ii) and making the Payments and thereafter making the other required payments). All of such payments are coequal as to the pledge of and lien on Pledged Revenues and share ratably, without preference, priority or distinction, as to the source or method of payment from Pledged Revenues or security therefor.

(b) City shall remit to Trustee from Pledged Revenues all amounts due under this Agreement in the amounts and at the times and for the purposes as required herein. The obligation of City to make payments of any amounts due under this Agreement, including amounts due after default or termination hereof, is limited to payment from Pledged Revenues and shall under no circumstances constitute a general obligation or a pledge of the full faith and credit of City, the State or any of its political subdivisions, or require the levy of, or be payable from the proceeds of, any *ad valorem* property taxes.

(c) City may, at the sole option of the Mayor and Council of City, make payments due pursuant to Section 1 hereof from its other funds as permitted by law and as City shall determine from time to time, but Trustee acknowledges that it has no claim hereunder to such other funds. No part of the purchase price payable pursuant to this Agreement shall be payable out of any *ad valorem* property taxes imposed by City or from bonds or other obligations, the payment of which City’s general taxing authority is pledged, unless (i) the same shall have been duly budgeted by City according to law, (ii) such payment or payments shall be within the budget limitations of the statutes of the State, and (iii) any such bonded indebtedness or other obligation is within the debt limitations of the Constitution of the State.

Section 3. Surplus and Deficiency of Revenues from Pledged Revenues.

Pledged Revenues in excess of amounts, if any, required to be deposited with or held by Trustee for payments due under this Agreement shall constitute surplus revenues and may be used by City for any lawful purpose for the benefit of City, including the payment of obligations to which Pledged Revenues may from time to time be pledged on a basis subordinate hereto. If at any time the moneys in the funds held for payment of amounts due under this Agreement are not sufficient to make the deposits and transfers required, any such deficiency shall be made up from the first moneys thereafter received and available for such transfers under the terms of this Agreement and, with respect to payment from Pledged Revenues, *pro rata*, as applicable, with amounts due with

respect to the First Purchase Agreement and any Additional Revenue Obligations, and the transfer of any such sum or sums to said fund as may be necessary to make up any such deficiency shall be in addition to the then-current transfers required to be made pursuant hereto.

Section 4. Parity Lien Obligations. Additional Revenue Obligations may be incurred but only if Pledged Revenues, in the most recently completed Fiscal Year, shall have amounted to at least two (2.0) times the Maximum Annual Debt Service.

Section 5. City Control over Revenue Collection.

(a) For so long as the First Purchase Agreement remains outstanding or unpaid, to the extent permitted by applicable law, Pledged Revenues shall be maintained so that the amounts received from Pledged Revenues, all within and for the most recently completed Fiscal Year, shall have been equal to at least two (2.0) times the Annual Debt Service for the current Fiscal Year. If Pledged Revenues for any such Fiscal Year shall not have been equal to at least two (2.0) times the Annual Debt Service for the current Fiscal Year or if at any time it appears that Pledged Revenues will not be sufficient to meet such requirements, City shall, to the extent permitted by applicable law, impose new exactions of the type of the Excise Taxes which will be part of the Excise Taxes or increase the rates for the Excise Taxes currently imposed fully sufficient at all times, after making allowance for contingencies and errors, in each Fiscal Year in order that (i) Pledged Revenues will be sufficient to meet all current requirements hereunder and (ii) Pledged Revenues will be reasonably calculated to attain the level as required by the first sentence of this paragraph.

(b) Notwithstanding any other terms or provisions of this Agreement, upon payment in full or provision for payment in full of the First Purchase Agreement, the provisions of Subsection (a) hereof shall no longer be operative and to the extent permitted by applicable law, Pledged Revenues shall be maintained so that the amounts received from Pledged Revenues, all within and for the most recently completed Fiscal Year, shall have been equal to at least one and one-half (1.5) times the Annual Debt Service for the current Fiscal Year. If Pledged Revenues for any such Fiscal Year shall not have been equal to at least one and one-half (1.5) times the Annual Debt Service for the current Fiscal Year or if at any time it appears that Pledged Revenues will not be sufficient to meet such requirements, City shall, to the extent permitted by applicable law, impose new exactions of the type of the Excise Taxes which will be part of the Excise Taxes or increase the rates for the Excise Taxes currently imposed fully sufficient at all times, after making allowance for contingencies and errors, in each Fiscal Year in order that (i) Pledged Revenues will be sufficient to meet all current requirements hereunder and (ii) Pledged Revenues will be reasonably calculated to attain the level as required by the first sentence of this paragraph.

(c) In order to secure payment of this Agreement and to create a separate and special fund which shall contain only Pledged Revenues and shall not contain any other moneys of City, City shall continue to maintain the special fund established by the First Purchase Agreement known as the "City of Bisbee Pledged Revenues Fund" (the "Pledged Revenues Fund"). Upon receipt by City, Pledged Revenues shall be deposited in and to the Pledged Revenues Fund. The Pledged Revenues Fund shall be funded only from Pledged Revenues received by City and from no other source. After paying therefrom amounts of Pledged

Revenues for the purposes described herein, the Pledged Revenues Fund may be reduced to zero, including by transferring any such balance to the General Fund of City.

Section 6. Certain Matters with Respect to Project.

(a) Except with respect to its power and authority to enter into this Agreement and to perform its covenants hereunder, Trustee has made and makes no representation or warranty, express or implied, and assumes no obligation with respect to the Project. City waives all claims against Trustee growing out of financing the Project. Trustee is entering into this Agreement solely as Trustee, shall not be personally liable hereunder and shall be afforded the same rights, protections, immunities and indemnities acting hereunder as afforded to it as Trustee under the Trust Agreement.

(b) Trustee hereby irrevocably appoints City as its sole and exclusive agent to act for and on behalf of Trustee in financing the costs of the Project. As such agent, City shall have full authority to do all things necessary to accomplish such purposes. Trustee shall not be liable, responsible or accountable for the acts of City as its agent hereunder, and City hereby assumes all responsibility for the performance of such duties.

(c) Notwithstanding any other terms or provisions of this Agreement, the interest of Trustee in the Project is solely in its capacity as Trustee for the purpose of facilitating the financing of the Project, and Trustee shall not have the power, authority or obligation to assume any responsibility for the Project.

Section 7. Providing for Payment. City may provide for the payment of any of the Payments in any one or more of the following ways:

(a) by paying such Payment as provided herein as and when the same becomes due and payable at its scheduled due date pursuant to Section 1 hereof or on a date on which it can be prepaid;

(b) by depositing with a Depository Trustee, in trust for such purposes, money which, together with the amounts then on deposit with Trustee and available for such Payment is fully sufficient to make, or cause to be made, such Payment at its scheduled due date or on a date on which it can be prepaid; or

(c) by depositing with a Depository Trustee, in trust for such purpose, any Defeasance Obligations which are noncallable, in such amount as shall be certified to Trustee and City, by an independent firm of nationally recognized certified public accountants acceptable to City, as being fully sufficient, together with the interest to accrue thereon and moneys then on deposit with Trustee and available for such Payment, to make, or cause to be made, such Payment at its scheduled due date or on a date on which it can be prepaid.

Upon any partial payment of a Payment, each installment of interest which shall thereafter be payable as a part of the subsequent Payments shall be reduced, taking into account the interest rate or rates on the Obligations remaining outstanding after the partial payment so that the interest remaining payable as a part of the subsequent Payments shall be sufficient to pay the interest on such outstanding Obligations when due.

Section 8. Term of Agreement. This Agreement shall not terminate so long as any payments are due and owing pursuant to this Agreement or the Obligations. Subject to Section 7 hereof, upon full payment or provision for payment and in consideration of the timely payment of all of the amounts described in Subsection 1(b) hereof (including the Payments) and provided that City has performed all the covenants and agreements required by City to be performed, this Agreement shall cease and expire. The obligations of City under this Agreement, including, without limitation, its obligation to pay the Payments, shall survive any action brought as provided in the next Section hereof, and City shall continue to pay the Payments and perform all other obligations provided in this Agreement; provided, however, that City shall be credited with any amount received by Trustee pursuant to actions brought under the next Section hereof.

Section 9. Default; Remedies Upon Default.

(a) (i) Upon (A) the nonpayment of the whole or any part of any of the amounts described in Subsection 1(b) hereof (including the Payments) at the time when the same are to be paid as provided herein or in the Trust Agreement, (B) the violation by City of any other covenant or provision of this Agreement or the Trust Agreement, (C) the occurrence of an event of default with respect to the First Purchase Agreement or any Additional Revenue Obligations, or (D) the insolvency or bankruptcy of City as the same may be defined under any law of the United States of America or the State, or any voluntary or involuntary action of City or others to take advantage of, or to impose, as the case may be, any law for the relief of debtors or creditors, including a petition for reorganization, and

(ii) if such default has not been cured (A) in the case of nonpayment of any of the amounts described in Subsection 1(b) hereof (including the Payments) as required hereunder or under the Trust Agreement on the due date or the nonpayment of principal or interest due with respect to the First Purchase Agreement or any Additional Revenue Obligations on their due dates, (B) in the case of the breach of any other covenant or provision of the Trust Agreement or this Agreement not cured within sixty (60) days after notice in writing from Trustee specifying such default, and (C) in the case of any other default under the First Purchase Agreement or any Additional Revenue Obligations after any notice and passage of time provided for under the proceedings under which such obligations were issued then,

(iii) subject to the limitations of the Trust Agreement, Trustee may take whatever action at law or in equity, including the remedy of specific performance, may appear necessary or desirable to collect the Payments and any other amounts payable by City under the Trust Agreement or this Agreement then due (but not the Payments and such other amounts accruing), or to enforce performance and observance of any pledge, obligation, agreement or covenant of City under the Trust Agreement or this Agreement, and with respect to Pledged Revenues, without notice and without giving any bond or surety to City or anyone claiming under City, have a receiver appointed of Pledged Revenues which are pledged to the payment of amounts due hereunder, with such powers as the court making such appointment shall confer (and City does hereby irrevocably consent to such appointment); provided, however, that under no circumstances may the Payments be accelerated.

Each right, power and remedy of Trustee provided for in this Agreement shall be cumulative and concurrent and shall be in addition to every other right, power or remedy provided for herein, or, unless prohibited by the terms hereof, now or hereafter existing at law or in equity or by statute or otherwise, in any jurisdiction where such rights, powers and remedies are sought to be enforced, and the exercise or beginning of the exercise by Trustee of any one or more of the rights, powers or remedies provided for herein or now or hereafter existing at law or in equity or by statute or otherwise shall not preclude the simultaneous or later exercise by either party of any or all of such other rights, powers or remedies. The failure to insist upon strict performance of any of the covenants or agreements herein set forth shall not be considered or taken as a waiver or relinquishment for the future of the rights of Trustee to insist upon a strict compliance by Trustee with all the covenants and conditions hereof. City shall, upon not less than 10 days' prior request by Trustee, execute, acknowledge and deliver to Trustee a statement in writing certifying that this Agreement is unmodified and in full force and effect (or, if this Agreement has been modified, that it is in full force and effect except as modified, and stating the modification), and the dates to which the amounts payable hereunder have been paid in advance, if any.

(b) Trustee shall in no event be in default in the performance of any of its obligations hereunder unless and until Trustee shall have failed to perform such obligation within thirty (30) days or such additional time as is reasonably required to correct any such default after notice by City properly specifying wherein Trustee has failed to perform any such obligation. No default by Trustee shall relieve City of its obligations to make the various payments herein required, so long as any of the Obligations remain outstanding; however, City may exercise any other remedy available at law or in equity to require Trustee to remedy such default so long as such remedy does not interfere with or endanger the payments required to be made to Trustee under the Trust Agreement.

Section 10. Assignment.

(a) Except as otherwise provided herein, City shall not assign, transfer, pledge or hypothecate or otherwise dispose of this Agreement or any interest therein, and any assignment in contravention hereof shall be void.

(b) Subject to the terms of the Trust Agreement, all and every part of the right, title and interest of City in and to this Agreement and all payments of any kind due or which become due to Trustee hereunder are sold, pledged, assigned and transferred pursuant to the Trust Agreement.

Section 11. Federal Law Provisions. City shall comply with and carry out all of the provisions of the Continuing Disclosure Undertaking, provided that such costs of compliance shall be payable solely from Pledged Revenues. Notwithstanding any other provision of this Agreement, failure of City to comply with the Continuing Disclosure Undertaking shall not be considered an event of default; however, Trustee may (and, at the request of the original purchaser of the Obligations or the owners of at least 25% aggregate principal amount in outstanding Obligations and receipt of indemnity to its satisfaction, shall) take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause City to comply

with its obligations under this Section. Trustee is not responsible for monitoring or verifying compliance by City with the Continuing Disclosure Undertaking.

Section 12. Covenant as to Conflict of Interest; Other Statutory Restrictions.

(a) To the extent applicable by provision of law, Trustee acknowledges that this Agreement is subject to cancellation pursuant to Section 38-511, Arizona Revised Statutes, as amended, the provisions of which are incorporated herein and which provides that City may within three (3) years after its execution cancel any contract (including this Agreement) without penalty or further obligation made by City if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of City is at any time while the contract or any extension of the contract is in effect, an employee or agent of any other party to the contract in any capacity or a consultant to any other party to the contract with respect to the subject matter of the contract. The cancellation shall be effective when written notice is received by all other parties to the contract unless the notice specifies a later time. Trustee covenants not to employ as an employee, an agent or, with respect to the subject matter of this Agreement, a consultant, any person significantly involved in initiating, negotiating, securing, drafting or creating this Agreement on behalf of City within three years from the execution of this Agreement, unless a waiver of Section 38-511, Arizona Revised Statutes, as amended, is provided by City. No basis exists for City to cancel this Agreement pursuant to Section 38-511, Arizona Revised Statutes, as amended, as of the date hereof.

(b) To the extent applicable under Section 41-4401, Arizona Revised Statutes, as amended, Trustee shall comply with all federal immigration laws and regulations that relate to its employees and its compliance with the “e-verify” requirements under Section 23-214(A), Arizona Revised Statutes, as amended. The breach by Trustee of the foregoing shall be deemed a material breach of this Agreement and may result in the termination of the services of Trustee by City. City retains the legal right to randomly inspect the papers and records of Trustee to ensure that Trustee is complying with the above-mentioned warranty. Trustee shall keep such papers and records open for random inspection during normal business hours by City. Trustee shall cooperate with the random inspections by City including granting City entry rights onto its property to perform such random inspections and waiving its respective rights to keep such papers and records confidential.

(c) To the extent applicable under Section 35-393 et seq., Arizona Revised Statutes, as amended, Trustee hereby certifies it is not currently engaged in, and for the duration of this Agreement shall not engage in, a boycott of Israel. The term “boycott” has the meaning set forth in Section 35-393, Arizona Revised Statutes, as amended. If City determines that Trustee’s certification above is false or that it has breached such agreement, City may impose remedies as provided by law.

Section 13. Miscellaneous.

(a) No covenant or obligation herein to be performed by City may be waived except by the written consent of Trustee, and a waiver of any such covenant or obligation or a forbearance to invoke any remedy on any occasion shall not constitute or be treated as a waiver of such covenant or obligation as to any other occasion and shall not preclude Trustee from

invoking such remedy at any later time prior to the cure by City of the condition giving rise to such remedy.

(b) This Agreement shall be construed and governed in accordance with the laws of the State in effect from time to time.

(c) The recitals set forth at the beginning of this Agreement are incorporated in this Agreement by this reference. This Agreement constitutes the entire agreement between the parties and shall not be modified, waived, discharged, terminated, amended, supplemented, altered or changed in any respect except by a written document signed by both Trustee and City, subject to the restrictions with regard thereto provided by the Trust Agreement.

(d) Any term or provision of this Agreement found to be prohibited by law or unenforceable or which would cause this Agreement to be invalid, prohibited by law or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without, to the extent reasonably possible, causing the remainder of this Agreement to be invalid, prohibited by law or unenforceable.

(e) The captions set forth herein are for convenience of reference only and shall not define or limit any of the terms or provisions hereof.

(f) Except as otherwise provided herein, this Agreement shall be binding upon and inure to the benefit of the parties and their respective heirs, successors, assigns and personal representatives, as the case may be. Any person or entity acquiring any interest in or to the right, title or interest of Trustee herein shall be and have the rights of a third party beneficiary hereunder.

(g) This Agreement may be executed in any number of counterparts, each of which shall be regarded as an original and all of which shall constitute but one and the same instrument.

WITNESSETH:

WHEREAS, the Seller (as such term and other terms not hereinabove defined are hereinafter defined) and the City, as purchaser, have entered into the Purchase Agreement in connection with the execution and delivery of the Obligations to provide for the deposits to the Costs of Issuance Fund and the Initial Obligation Proceeds Fund; and

WHEREAS, for the purpose of obtaining the moneys to provide such deposits, rights pursuant to the Purchase Agreement have been assigned and transferred to the Trustee for purposes hereof, and in consideration of such assignment and the execution hereof, the Trustee has executed and delivered the Obligations, each evidencing a proportionate interest in certain rights pursuant to the Purchase Agreement;

Section 2.5. Form. The Obligations shall be in fully registered, certificated form, substantially in the form set forth in the Exhibit hereto.

Section 2.6. Execution. The Obligations shall be executed by and in the name of the Trustee by the manual signature of an authorized representative of the Trustee. If any representative whose signature appears on any Obligation ceases to be such representative before the Closing Date, such signature shall nevertheless be as effective as if the representative had remained in office until the Closing Date. Any Obligation may be executed on behalf of the Trustee by such person as at the actual date of the execution of such Obligation shall be the proper authorized representative of the Trustee although at the nominal date of such Obligation such person shall not have been such authorized representative of the Trustee. No Obligation shall be valid or become obligatory for any purpose or shall be entitled to any security or benefit under this Trust Agreement unless and until executed and delivered by the Trustee. The execution by the

Trustee of any Obligation shall be conclusive evidence that the Obligation so executed has been duly authorized and delivered hereunder and is entitled to the security and benefit of this Trust Agreement.

Section 2.7. Book-Entry Only System. The Trustee and the City may from time to time enter into, and discontinue, an agreement with a Securities Depository which is the Owner of the Obligations, to establish procedures with respect to the Obligations not inconsistent with the provisions of this Trust Agreement; provided, that, notwithstanding any other provisions of this Trust Agreement, any such agreement may provide that different provisions for notice to the Securities Depository may be set forth herein and that a legend shall appear on each Obligation so long as the Obligations are subject to such agreement. With respect to Obligations registered in the name of a Securities Depository (or its nominee), neither the Trustee nor the City shall have any obligation to any of its members or participants or to any person on behalf of whom an interest is held in the Obligations. It is hereby acknowledged that the City and the Trustee intend to enter into an agreement with DTC in connection with the execution and delivery of the Obligations, and while such agreement is in effect, the procedures established therein shall apply to the Obligations notwithstanding any other provisions of this Trust Agreement to the contrary. As long as DTC is the Securities Depository with respect to the Obligations, the Trustee shall be a “DTC Direct Participant.” The Trustee shall not have any responsibility or obligation to DTC participants or the persons for whom they act as nominees with respect to the Obligations regarding accuracy of any records maintained by DTC or DTC participants, the payments by DTC or DTC participants of any amount in respect of principal, prepayment price or interest on the Obligations, any notice which is permitted or required to be given to or by Owners hereunder (except such notice as is required to be given by the City to the Trustee or to DTC), or any consent given or any other action taken by DTC as Owner.

Section 2.8. Application of Proceeds. The proceeds received by the Trustee from the sale of the Obligations (\$ _____) shall forthwith be applied by the Trustee as follows:

- (1) \$ _____ shall be deposited in the Costs of Issuance Fund; and
- (3) \$ _____ shall be deposited in the Initial Obligation Proceeds Fund, a special trust fund established by the Trustee pursuant to this Trust Agreement designated as the “City of Bisbee, Arizona Series 2022 Initial Obligation Proceeds Fund” (herein referred to as the “Initial Obligation Proceeds Fund”). The Trustee shall keep such fund separate and apart from all other funds and moneys held by it and shall administer such fund as provided in this Trust Agreement.

The amount deposited to the Initial Obligation Proceeds Fund shall be transferred immediately to PSPRS pursuant to the wire instructions set forth in the Final Closing Memorandum with respect to the Obligations (such transfer to otherwise occur without requisition or other documentation), to cause the Funding. After such transfer, the Initial Obligation Proceeds Fund shall be closed by the Trustee.

Section 2.9. Transfer and Exchange.

(a) Any Obligation may, in accordance with its terms, be transferred upon the registration books for the Obligations required to be kept pursuant to the provisions of Section 2.13 by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Obligation for cancellation, accompanied by delivery of a written instrument of transfer in a form approved by the Trustee, duly executed. Whenever any Obligation or Obligations shall be surrendered for transfer, the Trustee shall execute and deliver a new Obligation or Obligations in fully registered form of the stated payment date and interest rate and for a like aggregate principal amount.

(b) Obligations may be exchanged at the Designated Office for a like aggregate principal amount of Obligations of Authorized Denominations of the same stated payment date and interest rate. In connection with any such exchange or transfer of Obligations, the Owner requesting such exchange or transfer shall, as a condition precedent to the exercise of the privilege of making such exchange or transfer, remit to the Trustee an amount sufficient to pay any tax or other governmental charge required to be paid, other than one imposed by the City (which will not be payable by the Trustee), or any fee or expense of the Trustee or the City with respect to such exchange or transfer.

(c) The Trustee may, but shall not be obligated to, exchange or register the transfer of an Obligation (i) if the Obligation is to be prepaid, in whole or in part, or (ii) during a period of fifteen (15) days preceding the giving of a notice of prepayment. If an Obligation subject to prepayment is to be transferred after having been selected for prepayment, any notice of prepayment which has been given to the transferor shall be binding on the transferee and a copy of the notice of prepayment shall be delivered by the Trustee to the transferee along with the duly registered Obligation or Obligations.

Section 2.10. Obligations Mutilated, Lost, Destroyed or Stolen. If any Obligation shall become mutilated, the Trustee, at the expense of the Owner of said Obligation, shall execute and deliver a new Obligation of like tenor, stated payment date and amount in exchange and substitution for the Obligation so mutilated, but only upon surrender to the Trustee of the Obligation so mutilated. Any mutilated Obligation so surrendered to the Trustee shall be cancelled by it and redelivered to, or upon the order of, the Owner of such Obligation. If any Obligation shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee, and, if such evidence is satisfactory to the Trustee and, if an indemnity satisfactory to the Trustee shall be given, the Trustee, at the expense of the Owner of such Obligation, shall execute and deliver a new Obligation of like tenor, stated payment date and amount and numbered as the Trustee shall determine in lieu of and in substitution for the Obligation so lost, destroyed or stolen. The Trustee may require payment of an appropriate fee for each new Obligation delivered under this Section and of the expenses which may be incurred by the Trustee in carrying out the duties under this Section. Any Obligation issued under the provisions of this Section in lieu of any Obligation alleged to be lost, destroyed or stolen shall be equally and proportionately entitled to the benefits of this Trust Agreement with all other Obligations secured by this Trust Agreement. The Trustee shall not be required to treat both the original Obligation and any replacement Obligation as being Outstanding for the purpose of determining the principal amount of Obligations which may be executed and delivered hereunder or for the purpose of determining any

percentage of Obligations Outstanding hereunder, but both the original and replacement Obligation shall be treated as one and the same. Notwithstanding any other provision of this Section, in lieu of delivering a new Obligation for an Obligation which has been mutilated, lost, destroyed or stolen, and which has become payable, the Trustee may make payment with respect to such Obligation upon receipt of the aforementioned indemnity.

Section 2.11. Payment.

(a) Payment of interest due with respect to any Obligation on any Interest Payment Date shall be made to the person appearing on the registration books for the Obligation maintained by the Trustee as the Owner thereof as of the Regular Record Date immediately preceding such Interest Payment Date, such interest to be paid by check mailed on the date due by first class mail to such Owner at the address thereof as it appears on such registration books, payable in lawful money of the United States of America.

(b) The principal with respect to the Obligations shall be payable in lawful money of the United States of America upon surrender when due at the Designated Office.

(c) Interest and, if arrangements for surrender are made with the Trustee, principal payable to any Securities Depository or to any Owner of \$1,000,000 or more in principal amount of Obligations shall be paid by wire transfer in immediately available funds to an account in the United States of America if the Owner makes a written request of the Trustee at least twenty (20) days before the Interest Payment Date specifying the account address. The notice may provide that it shall remain in effect for subsequent payments until otherwise requested in a subsequent written notice.

(d) Any interest on any Obligation which is payable on, but is not punctually paid or duly provided for on, any Interest Payment Date (“Defaulted Interest”) shall forthwith cease to be payable to the Owner on the relevant Regular Record Date solely by virtue of such Owner having been such Owner. Such Defaulted Interest shall thereupon be paid, together with interest thereon at the same rate per annum as such Defaulted Interest, by the Trustee (out of funds provided to it by the City) to the persons in whose names such Obligations are registered at the close of business on a special record date for the payment of such portion of Defaulted Interest as may then be paid from the sources herein provided (the “Special Record Date”). When the Trustee has funds available to pay the Defaulted Interest and interest thereon, the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest and interest thereon which shall be not more than fifteen (15) nor less than ten (10) days prior to the date of the proposed payment by the Trustee. The Trustee shall promptly cause notice of the proposed payment of such Defaulted Interest and interest thereon and the Special Record Date therefor to be mailed, first class postage prepaid, to each Owner of an Obligation at his address as it appears in the registration books by the Trustee for the Obligations not less than ten (10) days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and interest thereon and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest and interest thereon shall be paid to the persons in whose names the Obligations are registered on such Special Record Date.

Section 2.12. Execution of Documents and Proof of Ownership.

(a) Any request, direction, consent, revocation of consent or other instrument in writing required or permitted by this Trust Agreement to be signed or executed by the Obligation Owners may be in any number of concurrent instruments of similar tenor, and may be signed or executed by such Owners in person or by their attorneys or agents appointed by an instrument in writing for that purpose, or by any bank, trust company or other depository for such Obligations. Proof of the execution of any such instrument, or of any instrument appointing any such attorney or agent, and of the ownership of the Obligations shall be sufficient for any purpose of this Trust Agreement (except as otherwise herein provided), if made in the following manner:

(1) The fact and date of the execution by any Owner or the attorney or agent thereof of any such instrument and of any instrument appointing any such attorney or agent, may be proved by a certificate, which need not be acknowledged or verified, of an officer of any bank or trust company located within the United States of America, or of any notary public, or other officer authorized to take acknowledgments of deeds to be recorded in such jurisdictions, that the persons signing such instruments acknowledged the execution thereof. Where any such instrument is executed by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such certificate shall also constitute sufficient proof of his authority.

(2) The fact of the ownership of the Obligations by any person and the amount, the stated payment date and the numbers of such Obligations and the date of his holding the same be proved on the registration books maintained pursuant to Section 2.13.

(b) Nothing contained in this Article II shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which the Trustee may deem sufficient. Any request or consent of the Owner of any Obligation shall bind every future Owner of the same Obligation in respect of anything done or suffered to be done by the Trustee in pursuance of such request or consent.

Section 2.13. Obligation Register. The Trustee will keep or cause to be kept, at the Designated Office, sufficient books for the registration and transfer of the Obligations which shall at all times during regular business hours on any Business Day be open to inspection by the City and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, the Obligations as hereinbefore provided.

Section 2.14. Payment of Unclaimed Amounts. In the event any check for payment of interest on an Obligation is returned to the Trustee unendorsed or is not presented for payment within two (2) years from its payment date or any Obligation is not presented for payment of principal at the payment or prepayment date, if funds sufficient to pay such interest or principal due upon such Obligation shall have been made available to the Trustee for the benefit of the Owner thereof, it shall be the duty of the Trustee to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Obligation who shall thereafter be restricted

exclusively to such funds for any claim of whatever nature relating to such Obligation or amounts due thereunder. The obligation of the Trustee to hold such funds shall continue for two years and six months (subject to applicable escheat laws) following the date on which such interest or principal payment became due, whether at the stated payment date or the date fixed for prepayment, at which time the Trustee shall surrender such unclaimed funds so held to the City, whereupon any claim of whatever nature by the Owner of such Obligation arising under such Obligation shall be made upon the City.

ARTICLE III COSTS OF ISSUANCE FUND

Section 3.1. Establishment and Application of Costs of Issuance Fund.

(a) The Trustee shall establish a special trust fund designated as the “City of Bisbee, Arizona Series 2022 Costs of Issuance Fund” (herein referred to as the “Costs of Issuance Fund”), shall keep such fund separate and apart from all other funds and moneys held by it and shall administer such fund as provided in this Trust Agreement.

(b) Amounts in the Costs of Issuance Fund shall be disbursed for the payment of Delivery Costs. Disbursements from the Costs of Issuance Fund shall be made by the Trustee upon receipt of a requisition for disbursement (on which the Trustee is entitled to rely) executed or approved by the City Representative. Each such requisition shall set forth the amounts to be disbursed for payment, or reimbursement of previous payments, of Delivery Costs and the person or persons to whom said amounts are to be disbursed. The Trustee has no duty or obligation to confirm that such disbursements constitute Delivery Costs.

(c) On the earlier of October 1, 2022, or when all Delivery Costs associated with the Obligations have been paid (as shown by a certificate of a City Representative, if requested by the Trustee), the Trustee shall transfer any amounts remaining in the Costs of Issuance Fund to the Payment Fund and the Costs of Issuance Fund shall be closed.

ARTICLE IV PREPAYMENT OF OBLIGATIONS

Section 4.1. Prepayment Provisions. Principal represented by the Obligations payable before or on July 1, 20__, is not subject to prepayment. Principal represented by the Obligations payable on or after July 1, 20__, is subject to prepayment in such order and from such principal amount payable selected by the City and by lot within such principal amount by such methods as may be selected by the Trustee (or if held in book-entry form in any manner acceptable to DTC) from prepayments made by the City pursuant to Section 7 of the Purchase Agreement, in whole or in part on any date on or after July 1, 20__, at a price equal to the principal amount thereof to be prepaid, together with accrued interest to the date fixed for prepayment, but without premium.

Section 4.2. Selection of Obligations for Prepayment. Principal represented by the Obligations shall be prepaid only in the amounts of \$5,000 of principal represented by each or integral multiples thereof. The City shall, at least forty-five (45) days prior to the prepayment date, notify the Trustee of such prepayment date and of the payment dates of the Obligations and the payment amount of principal represented by the Obligations due on any such payment date to be

prepaid on such date. For the purposes of any prepayment of less than all of the Obligations payable on a single payment date, if the Obligations are not held in a book-entry-only system as described in Section 2.7, the particular Obligations or portions of Obligations payable on the date(s) selected to be prepaid shall be selected by the Trustee by lot in accordance with its standard procedures not more than forty-five (45) nor less than thirty (30) days prior to the prepayment date by such selection methods as the Trustee shall in its sole discretion deem appropriate and fair; provided, however, that such selection methods shall provide for the selection of Obligations or portions thereof for prepayment in principal amounts of \$5,000 or integral multiples thereof such that any \$5,000 Obligation or \$5,000 portion of an Obligation payable on the date selected shall be as likely to be called for prepayment as any other such \$5,000 Obligation or \$5,000 portion thereof. The Trustee shall promptly notify the City in writing of the Obligations so selected for prepayment, and the City will provide the Trustee within thirty (30) days a recomputed payment schedule for the Purchase Agreement. Notwithstanding the foregoing, the Securities Depository for Obligations held in a book-entry-only system shall select the Obligations for prepayment from Obligations payable in a given year according to its stated procedures. While the City intends that allocations be made in accordance with the foregoing proportional provisions, the selection of Obligations for prepayment shall be subject to practices and procedures of the Securities Depository as in effect from time to time.

Section 4.3. Notice of Prepayment; Effect.

(a) The Trustee shall cause notice of any optional prepayment hereunder to be mailed to the Owners of all of the Obligations to be prepaid at the addresses appearing in the Register kept for such purpose pursuant to Section 2.13. Each such notice shall (1) be sent no more than 60 nor less than 30 calendar days prior to the prepayment date, (2) identify the Obligations to be prepaid (specifying the CUSIP numbers, if any, assigned to the Obligations), (3) specify with respect to the Obligations being prepaid their date of issue, their final payment date, their prepayment date and their prepayment price, (4) set forth the name, address and telephone number of the person from whom information pertaining to the prepayment may be obtained, and (5) state that on the prepayment date the Obligations to be prepaid will be payable at the Designated Office, that from that date interest will cease to accrue and that no representation is made as to the accuracy or correctness of the CUSIP numbers printed therein or on the Obligations. No defect affecting any Obligation, whether in the notice of prepayment or the delivery thereof (including any failure to mail such notice), shall affect the validity of the prepayment proceedings for any other Obligations.

(b) If at the time of mailing of notice of an optional prepayment of principal represented by Obligations, there has not been deposited with the Trustee moneys or Defeasance Obligations sufficient to prepay all Obligations subject to such prepayment and the requirements of (e) below are not satisfied, then such notice shall state that the prepayment is conditional upon the deposit of moneys or Defeasance Obligations sufficient for the prepayment with the Trustee and satisfaction of such requirements not later than the opening of business on the prepayment date, and such notice will be of no effect and such Obligations shall not be prepaid unless such moneys or Defeasance Obligations are so deposited and such requirements in (e) below are met.

(c) Any notice of prepayment shall be mailed by first class mail, postage prepaid; provided that any notice of prepayment given to the Securities Depository or any Owner of \$1,000,000 or more in aggregate principal amount of Obligations also shall be transmitted electronically. A certificate of the Trustee shall conclusively establish the mailing or delivery of any such notice for all purposes.

(d) Notice having been mailed in the manner provided in (a) above, the Obligations and portions thereof, principal which is represented thereby, shall become due and payable on the prepayment date, and upon presentation and surrender of such Obligation at the place or places specified in that notice, shall be paid at the prepayment price, plus interest accrued to the prepayment date.

(e) If the money or Defeasance Obligations for the prepayment of all of the portion of principal represented by the Obligations to be prepaid, together with interest accrued thereon to the prepayment date, is held by the Trustee on the prepayment date, so as to be available therefor on that date, then from and after the prepayment date such principal thereof to be prepaid shall cease to bear interest, and, the Obligations or portion thereof represented thereby no longer shall be considered to be Outstanding hereunder. If those moneys shall not be so available on the prepayment date, such principal shall continue to bear interest, until paid, at the same rate as they would have borne otherwise.

(f) All moneys deposited in the Payment Fund and held by the Trustee for the prepayment of such portions of principal represented by particular Obligations shall be held in trust for the account of the Owners of such Obligations and shall be paid to them, respectively, upon presentation and surrender of those Obligations.

Section 4.4. Partial Prepayment of Obligation. Upon surrender of any Obligation, the principal portion of which has been prepaid in part only, the Trustee shall execute and deliver to the Owner thereof, at the expense of the City, a new Obligation or Obligations of Authorized Denominations equal in aggregate payment amount to the unpaid portion of the Obligation surrendered and due on the same payment date.

ARTICLE V PAYMENT FUND

Section 5.1. Trustee's Rights in Purchase Agreement. The Trustee holds in trust hereunder all of its rights and duties in the Purchase Agreement, including but not limited to all of the rights to receive and collect all of the Payments and all other amounts required to be deposited in the Payment Fund pursuant to the Purchase Agreement or pursuant hereto. All of the Payments and such other amounts to which the Seller may at any time be entitled shall be paid directly to the Trustee in trust, and all of the Payments collected or received by the Trustee shall be held by the Trustee in trust hereunder in the Payment Fund for the benefit of the Owners.

Section 5.2. Establishment and Application of Payment Fund.

(a) The Trustee shall establish a special trust fund designated as the "City of Bisbee, Arizona Series 2022 Payment Fund" (herein referred to as the "Payment Fund"). So long as any Obligations are Outstanding, the City shall have no beneficial right or interest in

the Payment Fund or the moneys deposited therein, except only as provided in this Trust Agreement, and such moneys shall be used and applied by the Trustee as hereinafter set forth.

(b) Subject to the limitations pursuant to the Purchase Agreement with respect to Pledged Revenues, the City shall be required to make the Payments, taking into account any funds on deposit in the Payment Fund as a credit towards any Payment then due. Not less than thirty (30) Business Days prior to each Interest Payment Date, the Trustee shall notify the City of the amount required to be paid after taking into account earnings on investments which will be transferred to the Payment Fund in accordance herewith, on or before such Interest Payment Date for both principal and interest with respect to the Obligations. All amounts received by the Trustee as Payments pursuant to the Purchase Agreement shall be deposited in the Payment Fund.

(c) All amounts in the Payment Fund shall be used and withdrawn by the Trustee solely for the purpose of paying the principal of and interest with respect to the Obligations as the same shall become due and payable, in accordance with the provisions of Articles II and IV.

Section 5.3. Transfers of Investment Earnings to Payment Fund. Except as otherwise directed by the City, the Trustee shall, on or before the next Interest Payment Date occurring on July 1, transfer any income or profit on the investment of moneys in the funds hereunder to the Payment Fund.

Section 5.4. Surplus. Any surplus remaining in any of the funds created hereunder, after prepayment and payment or provision for prepayment and payment of all Obligations, including accrued interest, and payment of any applicable fees, expenses or indemnities to the Trustee, or provision for such prepayment and payment having been made to the satisfaction of the Trustee, shall be withdrawn by the Trustee and remitted to the City.

ARTICLE VI MONEYS IN FUNDS; INVESTMENT

Section 6.1. Held in Trust. The moneys and investments held by the Trustee under this Trust Agreement are irrevocably held in trust for the benefit of the Owners of the Obligations and for the purposes herein specified, and such moneys, and any income or interest earned thereon, shall be expended only as provided in this Trust Agreement and shall not be subject to levy or attachment or lien by or for the benefit of any creditor of the City or any Owner of the Obligations.

Section 6.2. Investments Authorized. Upon written order of the City Representative, moneys held by the Trustee hereunder shall be invested and reinvested by the Trustee, to the maximum extent practicable in Permitted Investments. The City Representative shall direct such investment in specific Permitted Investments. Such investments, if registrable, shall be registered in the name of the Trustee and shall be held by the Trustee. The Trustee may purchase or sell to itself or any affiliate, as principal or agent, investments authorized by this Section. Such investments and reinvestments shall be made giving full consideration to the time at which funds are required to be available. The Trustee may act as purchaser or agent in the making or disposing of any investment. The Trustee shall have no obligation to invest and reinvest

any cash held by it hereunder in the absence of timely and specific written direction from the City Representative. In no event shall the Trustee be liable for the selection of investments. The Trustee may conclusively rely upon such written direction from the City Representative as to both the suitability and legality of the directed investments and such written direction shall be deemed to be a certification that such directed investments constitute Permitted Investments. The City acknowledges that regulations of the Comptroller of the Currency grant the City the right to receive brokerage confirmations of the security transactions as they occur, at no additional cost. To the extent permitted by law, the City specifically waives compliance with 12 Code of Federal Regulations 12 and hereby notifies the Trustee that no brokerage confirmations need be sent relating to the security transactions as they occur. The Trustee may elect, but shall not be obligated, to credit the funds and accounts held by it with the moneys representing income or principal payments due on, or sales proceed due in respect of, Permitted Investments in such funds and accounts, or to credit to Permitted Investments intended to be purchased with such moneys, in each case before actually receiving the requisite moneys from the payment source, or to otherwise advance funds for account transactions. The City acknowledges that the legal obligation to pay the purchase price of Permitted Investments arises immediately at the time of the purchase. Notwithstanding anything else in this Trust Agreement, (i) any such crediting of funds or assets shall be provisional in nature, and the Trustee shall be authorized to reverse any such transactions or advances of funds in the event that it does not receive good funds with respect thereto, and (ii) nothing in this Trust Agreement shall constitute a waiver of any of the Trustee's rights as a securities intermediary under Uniform Commercial Code Section 9-206, to the extent applicable under State law.

Section 6.3. Accounting. The Trustee shall furnish to the City, not less than semiannually, an accounting (which may be in the form of its customary statement) of all investments made by the Trustee. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with Section 6.2.

Section 6.4. Allocation of Earnings. Any income, profit or loss on such investments shall be deposited in or charged to the respective funds from which such investments were made, and any interest on any deposit of funds shall be deposited in the fund from which such deposit was made, except as otherwise provided herein.

Section 6.5. Valuation and Disposition of Investments. For the purpose of determining the amount in any fund, all Permitted Investments credited to such fund shall be valued at Market Value. The City acknowledges that values shall be determined in accordance with the price provided by pricing services and sources relied upon by the Trustee and the Trustee does not have any duty to independently value any asset or an obligation other than the price provided by pricing services and sources relied upon by Trustee. The Trustee may sell or present for redemption, any Permitted Investment so purchased by the Trustee whenever it shall be necessary in order to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the fund to which such Permitted Investment is credited, and the Trustee shall not be liable or responsible for any loss resulting from such investment.

ARTICLE VII THE TRUSTEE

Section 7.1. Appointment of Trustee. The City hereby authorizes and directs the Trustee to, and the Trustee shall, execute and deliver the Purchase Agreement, as Seller, and receive all moneys required to be deposited with the Trustee hereunder and shall allocate, use and apply the same as provided in this Trust Agreement. The City shall maintain as the Trustee a bank or trust company with a combined capital and surplus of at least Fifty Million Dollars (\$50,000,000), and subject to supervision or examination by federal or State authority, so long as any of the Obligations are Outstanding. If such bank or trust company publishes a report of condition at least annually pursuant to law or to the requirements of any supervising or examining authority above referred to then for the purpose of this Section the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

Section 7.2. Liability of Trustee; Standard of Care. Except with respect to its authority and power generally and authorization to execute this Trust Agreement, the recitals of facts, covenants and agreements herein, in the Purchase Agreement and in the Obligations shall be taken as statements, covenants and agreements of the City, and the Trustee assumes no responsibility for the correctness of the same, or makes any representations as to the validity hereof or sufficiency of this Trust Agreement, the Purchase Agreement or the Obligations or shall incur any responsibility in respect hereof or thereof, other than in connection with the duties or obligations herein or in the Obligations assigned to or imposed upon it. Prior to the occurrence of an Event of Default, or after the timely cure of an Event of Default, the Trustee shall perform only such duties as are specifically set forth in this Trust Agreement and no implied obligations or covenants should be read into this Trust Agreement against the Trustee. After the occurrence of an Event of Default, the Trustee shall exercise such of the rights and powers vested in it, and use the same degree of care and skill in such exercise, as a prudent person would exercise under the circumstances in the conduct of its own affairs.

Section 7.3. Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its municipal corporate trust business, provided that such company shall be eligible under Section 7.1, shall be the successor to the Trustee without the execution or filing of any paper or further act, anything herein to the contrary notwithstanding.

Section 7.4. Protection and Rights of the Trustee.

(a) The Trustee shall be protected and shall incur no liability in acting or proceeding in good faith upon any resolution, notice, telegram, request, consent, waiver, certificates, statements, affidavit, voucher, bond, requisition or other paper or document which it shall in good faith believe to be genuine and to have been passed or signed by the proper board or person or to have been prepared and furnished pursuant to any of the provisions of this Trust Agreement, and the Trustee shall be under no duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument, but may accept and rely upon

the same as conclusive evidence of the truth and accuracy of such statements. The Trustee shall not be bound to recognize any person as an Owner of any Obligation or to take any action at his request unless such Obligation shall be deposited with the Trustee and satisfactory evidence of the ownership of such Obligation shall be furnished to the Trustee. The Trustee may consult with counsel with regard to legal questions, and the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith in accordance therewith.

(b) Whenever in the administration of its duties under this Trust Agreement, the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) shall be deemed to be conclusively proved and established by the certificate of the City Representative and such certificate shall be full warranty to the Trustee for any action taken or suffered under the provisions of this Trust Agreement upon the faith thereof, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

(c) The Trustee may become the Owner of the Obligations with the same rights it would have if it were not Trustee; may acquire and dispose of other bonds or evidence of indebtedness of the City with the same rights it would have if it were not the Trustee and may act as a depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Owners of Obligations, whether or not such committee shall represent the Owners of the majority in principal amount of the Obligations then Outstanding.

(d) The recitals, statements and representations by the City contained in this Trust Agreement, the Purchase Agreement or the Obligations shall be taken and construed as made by and on the part of the City and not by the Trustee, and the Trustee does not assume, and shall not have, any responsibility or obligation for the correctness of any thereof.

(e) The Trustee may execute any of the trusts or powers hereof and perform the duties required of it hereunder by or through attorneys, agents, or receivers, and shall be entitled to advice of counsel concerning all matters of trust and its duty hereunder, and the Trustee shall not be answerable for the default or misconduct of any such attorney, agent, or receiver selected by it with reasonable care. The Trustee shall not be answerable for the exercise of any discretion or power under this Trust Agreement or for anything whatever in connection with the funds and accounts established hereunder, except only for its own willful misconduct or negligence.

(f) No provision in this Trust Agreement shall require the Trustee to risk or expend its own funds or otherwise incur any financial liability (including, without limitation, any and all environmental liability) in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

(g) The Trustee shall not be accountable for the use or application by the City or any other party of any funds which the Trustee has released in accordance with the terms of this Trust Agreement.

(h) The Trustee makes no representation or warranty, express or implied, as to the Project. In no event shall the Trustee be liable for incidental, indirect, special or consequential damages in connection with or arising from the Purchase Agreement or this Trust Agreement for the Project.

(i) Notwithstanding any provision in this Trust Agreement or the Purchase Agreement to the contrary, the Trustee shall not be required to take notice or be deemed to have notice of an Event of Default, except an Event of Default under Section 9(a)(i)(A) of the Purchase Agreement, unless a Responsible Officer of the Trustee has actual notice thereof or is specifically notified in writing of such default by the City or the Owners of at least twenty-five percent (25%) in aggregate principal amount of all Obligations then Outstanding.

(j) The Trustee shall accept and act upon instructions of directions pursuant to this Trust Agreement sent by Electronic Methods, provided, however, that, the Trustee shall have received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which such incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. The City acknowledges that the Trustee cannot determine the identity of the actual sender of such instructions and that the Trustee shall conclusively presume that instructions that purport to have been sent by a person listed on the incumbency certificate have been sent by such person. The City shall be responsible for ensuring that only its designated persons transmit such instructions to the Trustee, and the City and such persons are responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and authentication keys provided by the Trustee, if any. If the City elects to give the Trustee instructions by Electronic Methods and the Trustee in its discretion elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The City agrees to assume all risks arising out of the use of such Electronic Methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

(k) The Trustee shall not be liable to the parties hereto or deemed in breach or default hereunder if and to the extent its performance hereunder is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the Trustee and could not have been avoided by exercising due care. Force majeure shall include acts of God, terrorism, war, riots, strikes, fire, floods, earthquakes, epidemics or other similar occurrences.

(l) The Trustee shall have no responsibility or liability with respect to any information, statements or recitals in any offering memorandum or other disclosure material prepared or distributed with respect to the execution and delivery of the Obligations.

(m) The permissive right of the Trustee to do things enumerated in this Trust Agreement shall not be construed as a duty, and the Trustee shall not be answerable for other than its negligence or willful default. The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the Project.

(n) Before taking any action under this Trust Agreement relating to an Event of Default or in connection with its duties under this Trust Agreement other than making payments of principal and interest on the Obligations as they become due, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, including, but not limited to, any liability arising directly or indirectly under any federal, state or local statute, rule, law or ordinance related to the protection of the environment or hazardous substances and except liability which is adjudicated, to have resulted from its negligence or willful default in connection with any action so taken.

(o) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of not less than a majority in aggregate principal amount of the Obligations then Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Trust Agreement.

(p) In acting or omitting to act pursuant to the Purchase Agreement and any other document entered into in connection herewith or therewith, the Trustee shall be entitled to all of the rights, immunities and indemnities accorded to it under this Trust Agreement, including, but not limited to, this Article VII.

Section 7.5. Compensation of Trustee. The City shall from time to time, pursuant to a fee schedule agreed to between the City and the Trustee (which fee schedule may be amended in writing), pay to the Trustee reasonable compensation for its services, including but not limited to advances to, and reasonable fees and expenses of, independent appraisers, accountants, consultants, counsel, agents and attorneys-at-law or other experts employed by it in the exercise and performance of its powers and duties hereunder. When the Trustee incurs expenses or renders services after the occurrence of an Event of Default, such expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

Section 7.6. Removal and Resignation of Trustee.

(a) The City (but only if no Event of Default has occurred and is continuing) or the Owners of a majority in aggregate principal amount of all Obligations Outstanding, at any time upon thirty (30) days' prior written notice, and for any reason, may remove the Trustee and any successor thereto, but any such successor shall be a bank or trust company having a combined capital (exclusive of borrowed capital) and surplus of at least Fifty Million Dollars (\$50,000,000) and subject to supervision or examination by federal or State authority. If such bank or trust company publishes a report of condition at least annually, pursuant to law or the requirements of any supervising or examining authority above referred to, then, for the purposes of this Section, the combined capital and surplus of such bank or trust company shall

be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

(b) The Trustee may at any time resign by giving written notice to the City. Upon receiving such notice of resignation, the City shall promptly appoint a successor trustee by an instrument in writing; provided, however, that in the event that the City does not appoint a successor trustee within thirty (30) days following receipt of such notice of resignation or its giving notice of removal, the retiring Trustee may petition the appropriate court having jurisdiction to appoint a successor trustee. Any resignation or removal of the Trustee and appointment of a successor trustee shall become effective upon acceptance of appointment by the successor trustee. The Trustee and the City shall execute any documents reasonably required to effect the transfer of rights and obligations of the Trustee to the successor trustee subject, however, to the terms and conditions herein set forth, including, without limitation, the right of the predecessor Trustee to be paid and reimbursed in full for its reasonable charges and expenses (including reasonable fees and expenses of its counsel) and the indemnification under Sections 7.4 and 10.3. Upon such acceptance, the successor trustee shall mail notice thereof to the Owners of the Obligations at their respective addresses set forth on the registration books for the Obligations maintained pursuant to Section 2.13.

Section 7.7. Appointment of Agent. The Trustee may appoint an agent or agents to exercise any of the powers, rights or remedies granted to the Trustee under this Trust Agreement and to hold title to property or to take any other action which may be desirable or necessary.

Section 7.8. Commingling. The Trustee may commingle any of the funds held by it pursuant to this Trust Agreement in a separate fund or funds for investment purposes only; provided, however, that all funds or accounts held by the Trustee hereunder shall be accounted for separately notwithstanding such commingling by the Trustee.

Section 7.9. Records. The Trustee shall keep complete and accurate records of all moneys received and disbursed under this Trust Agreement, which shall be available for inspection by the City, or any of its agents, at any time, upon reasonable prior notice, during regular business hours. The Trustee shall provide the City Representative with semiannual reports of funds transactions and balances.

ARTICLE VIII MODIFICATION OR AMENDMENT OF AGREEMENTS

Section 8.1. Amendments Permitted.

(a) This Trust Agreement and the rights and obligations of the Owners of the Obligations, and the Purchase Agreement and the rights and obligations of the parties thereto, may be modified or amended at any time by a supplemental or amending agreement which shall become effective when the written consent of the Owners of a majority in aggregate principal amount of all Obligations then Outstanding, exclusive of Obligations disqualified as provided in Section 8.3, shall have been filed with the Trustee. No such modification or amendment shall (1) extend or have the effect of extending the fixed stated payment date of any Obligation or reducing the interest rate with respect thereto or extending the time of payment of interest, or

reducing the amount of principal thereof, without the express consent of the Owner of such Obligation, or (2) reduce or have the effect of reducing the percentage of Obligations required for the affirmative vote or written consent to an amendment or modification of this Trust Agreement or the Purchase Agreement, or (3) modify any of the rights or obligations of the Trustee without its written assent thereto. Any such supplemental or amending agreement shall become effective as provided in Section 8.2.

(b) This Trust Agreement and the rights and obligations of the Owners of the Obligations, and the Purchase Agreement and the rights and obligations of the parties thereto, may be modified or amended at any time by a supplemental or amending agreement, without the consent of any such Owners, but only (1) to add to the covenants and agreements of any party, other covenants to be observed, or to surrender any right or power herein reserved to the Trustee (for its own behalf) or the City, (2) to secure additional revenues or provide additional security or reserves for payment of the Obligations, (3) to comply with the requirements of any state or federal securities laws or the Trust Indenture Act of 1939, as from time to time amended, if required by law or regulation lawfully issued thereunder, (4) to provide for the appointment of a successor trustee pursuant to the terms hereof, (5) to preserve the power of the City to continue to issue bonds or incur other obligations the interest on which is exempt from federal and State income taxes, (6) to cure, correct or supplement any ambiguous or defective provision contained herein or therein, (7) to facilitate the incurrence of Additional Revenue Obligations, (8) with respect to rating matters, or (9) in regard to questions arising hereunder or thereunder, as the parties hereto or thereto may deem necessary or desirable and which shall not materially, adversely affect the interests of the Owners of the Obligations as evidenced by a Special Counsel's Opinion delivered by the City to the Trustee. Any such supplemental or amending agreement shall become effective upon execution and delivery by the parties hereto or thereto as the case may be. The Trustee may rely upon a Special Counsel's Opinion as conclusive evidence that any such supplemental or amending agreement complies with this Section.

Section 8.2. Procedure for Amendment With Written Consent of Obligation Owners.

(a) This Trust Agreement and the Purchase Agreement may be amended by supplemental or amending agreement as provided in this Section in the event the consent of the Owners of the Obligations is required pursuant to Section 8.1. A copy of such supplemental or amending agreement, together with a request to the Owners of the Obligations for their consent thereto, shall be mailed by the Trustee to each Owner of an Obligation at the address thereof as set forth on the registration books for the Obligations maintained pursuant to Section 2.13, but failure to mail copies of such supplemental or amending agreement and request shall not affect the validity of the supplemental or amending agreement when assented to as provided in this Section.

(b) Such supplemental or amending agreement shall not become effective unless there shall be filed with the Trustee the written consent of the Owners of a majority in principal amount of all Obligations then Outstanding (exclusive of Obligations disqualified as provided in Section 8.3) and a notice shall have been mailed as hereinafter in this Section provided. The consent of an Owner of an Obligation shall be effective only if accompanied by proof of ownership of the Obligations for which such consent is given, which proof shall be such as is

permitted by Section 2.12. Any such consent shall be binding upon the Owner of the Obligation giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof) unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the notice hereinafter in this Section provided for has been mailed.

(c) After the Owners of the required percentage of Obligations shall have filed their consents to such supplemental or amending agreement, the Trustee shall mail a notice to the Owners of the Obligations in the manner hereinbefore provided in this Section for the mailing of such supplemental or amending agreement of the notice of adoption thereof, stating in substance that such supplemental or amending agreement has been consented to by the Owners of the required percentage of Obligations and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of such supplemental agreement or consents thereto). A record, consisting of the papers required by this Section to be filed with the Trustee, shall be conclusive proof of the matters therein stated. Such supplemental or amending agreement shall become effective upon the mailing of such last-mentioned notice, and such supplemental or amending agreement shall be deemed conclusively binding upon the parties hereto and the Owners of all Obligations at the expiration of sixty (60) days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such sixty (60) day period.

Section 8.3. Disqualified Obligations. Obligations owned or held by or for the account of the City or by any person directly or indirectly controlled by, or under direct or indirect common control with the City (except any Obligations held in any pension or retirement fund) shall not be deemed Outstanding for the purpose of any vote, consent, waiver or other action or any calculation of Outstanding Obligations provided for in this Trust Agreement and shall not be entitled to vote upon, consent to, or take any other action provided for in this Trust Agreement; provided, however, that in determining whether the Trustee shall be protected in relying upon any such approval or consent of an Owner, only Obligations which a Responsible Officer of the Trustee actually knows to be owned or held by the City, or by any person directly or indirectly controlled by, or under direct or indirect common control with the City (except any Obligations held in any pension or retirement fund) shall be deemed not to be Outstanding unless all Obligations are so owned, in which case such Obligations shall be considered Outstanding for the purpose of such determination.

Section 8.4. Effect of Supplemental Trust Agreement. From and after the time any supplemental or amending agreement becomes effective pursuant to this Article VIII, this Trust Agreement or the Purchase Agreement, as the case may be, shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations of the parties hereto or thereto and all Owners of Obligations Outstanding, as the case may be, shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any supplemental or amending agreement shall be deemed to be part of the terms and conditions of this Trust Agreement or the Purchase Agreement, as the case may be, for any and all purposes. The Trustee may require each Owner, before his consent provided for in this Article VIII shall be deemed effective, to reveal whether the Obligations as to which such consent is given are disqualified as provided in Section 8.3.

Section 8.5. Endorsement or Replacement of Obligations Delivered After Amendments. The Trustee may determine that Obligations delivered after the effective date of any action taken as provided in this Article shall bear a notation, by endorsement or otherwise, in form approved by the Trustee, as to such action. In that case, upon demand of the Owner of any Obligation Outstanding at such effective date and presentation of his Obligation for the purpose at the office of the Trustee, a suitable notation shall be made on such Obligation. The Trustee may determine that the delivery of substitute Obligations, so modified as in the opinion of the Trustee is necessary to conform to such Obligation Owners' action, which substitute Obligations shall thereupon be prepared, executed and delivered. In that case, upon demand of the Owner of any Obligation then Outstanding, such substitute Obligation shall be exchanged at the Designated Office of the Trustee, without cost to such Owner, for an Obligation of the same character then Outstanding, upon surrender of such Outstanding Obligation.

Section 8.6. Amendatory Endorsement of Obligations. The provisions of this Article shall not prevent any Obligation Owner from accepting any amendment or supplement as to the particular Obligations held thereby, provided that proper notation thereof is made on such Obligations.

ARTICLE IX COVENANTS, NOTICES

Section 9.1. Compliance With and Enforcement of Purchase Agreement. The City shall perform all obligations and duties imposed on it under the Purchase Agreement and shall not do or permit anything to be done, or omit or refrain from doing anything, in any case where any such act done or permitted to be done, or any such omission of or refraining from action, would or might be an Event of Default. The City, immediately upon receiving or giving any notice, communication or other document in any way relating to or affecting any such action will deliver the same, or a copy thereof, to the Trustee.

Section 9.2. Observance of Laws and Regulations. The City shall well and truly keep, observe and perform all valid and lawful obligations or regulations now or hereafter imposed on it by contract, or prescribed by any law of the United States of America, or of the State, or by any officer, board or commission having jurisdiction or control, as a condition of the continued enjoyment of any and every right, privilege or franchise now owned or hereafter acquired by the City, including its right to exist and carry on business as a political subdivision, to the end that such rights, privileges and franchises shall be maintained and preserved, and shall not become abandoned, forfeited or in any manner impaired.

Section 9.3. Recordation and Filing. The City shall file this Trust Agreement (or a memorandum thereof or a financing statement with respect thereto), and all such documents as may be required by law (and shall take all further actions which may be necessary or be reasonably required by the Trustee), all in such manner, at such times and in such places as may be required by law in order fully to preserve, protect and perfect the security of the Trustee and the Owners. The Trustee has no duty or obligation to determine the sufficiency of any such filings.

Section 9.4. Further Assurances. The Trustee (at the reasonable request of the City) and the City shall make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Trust Agreement and the Purchase Agreement and for the better assuring and confirming unto the Owners the rights and benefits provided herein.

Section 9.5. Notification to the City of Failure to Make Payments. The Trustee shall notify the City of any failure by the City to make any Payment or other payment required under the Purchase Agreement to be made to the Trustee, in writing and within one (1) Business Day of any such failure. Such notice shall not be a prerequisite for the occurrence of an Event of Default.

Section 9.6. Business Days. Except as otherwise required herein, if this Trust Agreement or the Purchase Agreement requires any party to act on a specific day and such day is not a Business Day, such party need not perform such act until the next succeeding Business Day, and such act shall be deemed to have been performed on the day required.

ARTICLE X LIMITATION OF LIABILITY

Section 10.1. Limited Liability of the City. Except for the payment of Payments from Pledged Revenues when due in accordance with the Purchase Agreement and the performance of the other covenants and agreements of the City contained in the Purchase Agreement and herein, the City shall have no pecuniary obligation or liability to any of the other parties or to the Owners with respect to this Trust Agreement or the terms, execution, delivery or transfer of the Obligations or the distribution of Payments to the Owners by the Trustee.

Section 10.2. No Liability of the City for Trustee Performance. The City shall have no obligation or liability to any of the other parties or to the Owners with respect to the performance by the Trustee of any duty imposed upon it under this Trust Agreement.

Section 10.3. Indemnification of the Trustee.

(a) To the extent permitted by law, the City shall indemnify and save the Trustee, in its capacity as Trustee and Seller, and its officers, directors, agents and employees, harmless for, from and against all claims, losses, costs, expenses, liability and damages, including legal fees and expenses, arising out of: (1) any breach or default on the part of the City in the performance of any of its obligations under this Trust Agreement and any other agreement made and entered into for purposes of the Project or any interest therein; (2) any act of negligence of the City or of any of its agents, contractors, servants, employees or licensees with respect to the Project; (3) any act of negligence of any assignee of, or purchaser from, the City or of any of its or their agents, contractors, servants, employees or licensees with respect to the Project; (4) the exercise and performance by the Trustee of its powers and duties hereunder, under the Purchase Agreement or the Obligations or in connection with any document or transaction contemplated herewith or therewith; or (5) any untrue statement or alleged untrue statement of any material fact or omission or alleged omission to state a material fact necessary to make the statements made, in light of the circumstances under which they were made, not misleading in any official statement or other

offering circular utilized in connection with the sale of the Obligations, including the costs and expenses of defending itself against any claim of liability arising under this Trust Agreement. No indemnification will be made under this Section or elsewhere in this Trust Agreement for willful misconduct, negligence or breach of duty under this Trust Agreement by the Trustee, or by its officers, agents, employees, successors or assigns. As security for the payment of amounts due under Section 7.5 and this Section, the Trustee shall be secured under this Trust Agreement by a lien prior to that for the Obligations. The obligations of the City hereunder for indemnification under this Section shall remain valid and binding notwithstanding, and shall survive, the payment of the Obligations or resignation or removal of the Trustee or the termination of this Trust Agreement.

(b) Promptly after determining that any event or condition which requires or may require indemnification by the City hereunder exists or may exist, or after receipt of notice of the commencement of any action in respect of which indemnity may be sought hereunder, the Trustee shall notify the City in writing of such circumstances or action (the "Notification"). Failure to give such notification shall not affect the right of the Trustee to receive the indemnification provided for herewith. Upon giving of the Notification, the Trustee shall cooperate fully with the City in order that the City may defend, compromise or settle any such matters or actions which may result in payment by the City hereunder. The City shall give the Trustee notice of its election within fifteen (15) days after receiving the Notification whether the City, at its sole cost and expense, shall represent and defend the Trustee in any claim or action which may result in a request for indemnification hereunder. If the City timely gives the notice that it will represent and defend the Trustee thereafter, the Trustee shall not settle or compromise or otherwise interfere with the defense or undertakings of the City hereunder; provided, however, the Trustee may retain its own counsel and still be indemnified against the cost of employing counsel and all other reasonable expenses despite an assumption of the defense by the City if the Trustee believes in good faith that there are defenses available to it which are adverse to or in conflict with those available to the City and which the Trustee believes in good faith cannot be effectively asserted by common counsel. The Trustee always has the right to employ separate legal counsel but, subject to the preceding sentence, the fees and expenses of its separate legal counsel must be paid by the Trustee unless the City and the Trustee have mutually agreed to the employment of the Trustee's separate legal counsel. The City shall not settle or compromise any claim or action against the Trustee without the written approval of the Trustee, except to the extent that the City shall pay all losses and the Trustee shall be fully released from such claim or action. If the City either fails to timely give its notice or notifies the Trustee that the City will not represent and defend the Trustee, the Trustee may defend, settle, compromise or admit liability as it shall determine in the reasonable exercise of its discretion, at the expense of the City. In the event the City is required to and does indemnify the Trustee as herein provided, the rights of the City shall be subrogated to the rights of the Trustee to recover such losses or damages from any other person or entity.

Section 10.4. Opinion of Counsel. Before being required to take any action, the Trustee may require an opinion of Independent Counsel acceptable to the Trustee, which opinion shall be made available to the other parties hereto upon request, which counsel may be counsel to any of the parties hereto, or a verified certificate of any party hereto, or both, concerning the proposed action. If it does so in good faith, the Trustee shall be absolutely protected in relying thereon.

ARTICLE XI
EVENTS OF DEFAULT AND REMEDIES OF OBLIGATION OWNERS

Section 11.1. Seller's Rights Held in Trust. As provided herein, the Trustee holds in trust hereunder all of the Seller's rights in and to the Purchase Agreement, including without limitation all of the Seller's rights to exercise such rights and remedies conferred on the Seller pursuant to the Purchase Agreement as may be necessary or convenient to enforce payment of the Payments and any other amounts required to be deposited in the Payment Fund and enforcement of the pledge of Pledged Revenues for the payment of the Obligations.

Section 11.2. Remedies Upon Default; No Acceleration. If an Event of Default shall happen, then and in each and every such case during the continuance of such Event of Default, the Trustee may, or upon request of the Owners of a majority in aggregate principal amount of the Obligations then Outstanding and receiving indemnity satisfactory to it shall, exercise one or more of the remedies granted pursuant to the Purchase Agreement; provided, however, that notwithstanding anything herein or in the Purchase Agreement to the contrary, there shall be no right under any circumstances to accelerate the stated payment dates of the Obligations or otherwise to declare any of the Payments not then past due or in default to be immediately due and payable.

Section 11.3. Application of Funds. All moneys received by the Trustee pursuant to any right given or action taken pursuant to the provisions of this Article XI or Section 9 of the Purchase Agreement shall be applied by the Trustee in the order following, in the case of the Obligations, upon presentation of the several Obligations, and the stamping thereon of the payment if only partially paid, or upon the surrender thereof if fully paid:

First, to the payment of the fees, costs and expenses of the Trustee and then of the Obligation Owners in declaring such Event of Default, including reasonable compensation to its or their agents, attorneys and counsel; and

Second, to the payment of the whole amount then owing and unpaid with respect to the Obligations and, in case such moneys shall be insufficient to pay in full the whole amount so owing and unpaid with respect to the Obligations, then to the payment of such principal and interest without preference or priority of principal over interest, or of interest over principal, or of any installment of interest over any other installment of interest, ratably to the aggregate of such principal and interest.

Section 11.4. Institution of Legal Proceedings. If one or more Events of Default shall happen and be continuing, the Trustee in its discretion may, and upon the written request of the Owners of a majority in aggregate principal amount of all Obligations then Outstanding, and upon being indemnified to its satisfaction therefor, shall, proceed to protect or enforce its rights or the rights of the Owners of Obligations by a suit in equity or action at law for the specific performance of any covenant or agreement contained herein.

Section 11.5. Non-waiver. Except as otherwise provided in this Article, the Obligation Owners have the right to institute suit to enforce and collect the Payments as provided in the Purchase Agreement. No delay or omission of the Trustee or of any Owner of any of the

Obligations to exercise any right or power arising upon the happening of any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein, and every power and remedy given by this Article to the Trustee or the Owners of Obligations may be exercised from time to time and as often as shall be deemed expedient by the Trustee or the Obligation Owners.

Section 11.6. Power of Trustee to Control Proceedings. In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder, whether upon its own discretion or upon the request of the Owners of a majority in aggregate principal amount of the Obligations then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Obligations, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; provided, however, that the Trustee shall not discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, without the consent of the Owners of a majority in aggregate principal amount of the Obligations Outstanding.

Section 11.7. Limitation on Obligation Owners' Right to Sue.

(a) No Owner of any Obligation issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Trust Agreement, unless (1) such Owner shall have previously given to the Trustee written notice of the occurrence of an Event of Default hereunder; (2) the Owners of at least a majority in aggregate principal amount of all Obligations then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (3) said Owners shall have tendered to the Trustee indemnity satisfactory to it against the costs, expenses, and liabilities to be incurred in compliance with such request; and (4) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

(b) Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of Obligations of any remedy hereunder; it being understood and intended that no one or more Owners of Obligations shall have any right in any manner whatever by his or their action to enforce any right under this Trust Agreement, except in the manner herein provided, and that all proceedings at law or in equity with respect to an Event of Default shall be instituted, had and maintained in the manner herein provided and for the equal and proportionate benefit of all Owners of the Outstanding Obligations.

(c) The right of any Owner of any Obligation to receive payment of said Owner's proportionate interest in the Payments as the same become due, or to institute suit for the enforcement of such payment, shall not be impaired or affected without the consent of such Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Trust Agreement.

ARTICLE XII
MISCELLANEOUS

Section 12.1. Defeasance.

(a) If and when any Outstanding Obligation or portion thereof shall be paid and discharged in any one or more of the following ways:

(1) By paying or causing to be paid the principal of and interest with respect to such Obligations Outstanding, as and when the same become due and payable;

(2) By depositing with a Depository Trustee, in trust for such purpose, at or before the stated payment date, money which, together with the amounts then on deposit in the Payment Fund is fully sufficient to pay or cause to be paid such Obligations Outstanding, including all principal and interest; or

(3) By depositing with a Depository Trustee, in trust for such purpose, any Defeasance Obligations which are noncallable in such amount as shall be certified to the Trustee and the City in a report by an independent firm of nationally recognized certified public accountants acceptable to the City, as being fully sufficient, together with the interest to accrue thereon and moneys then on deposit in the Payment Fund together with the interest to accrue thereon, to pay and discharge or cause to be paid and discharged such Obligations (including all principal and interest) at their respective payment or prepayment dates, which deposit may be made in accordance with the provisions of Section 7 of the Purchase Agreement;

notwithstanding that any Obligations shall not have been surrendered for payment, all obligations of the Trustee and the City with respect to such Outstanding Obligations shall cease and terminate, except only the obligation of the Trustee to pay or cause to be paid, from funds deposited pursuant to subsections (2) or (3) of this Section and paid to the Trustee by the Depository Trustee, to the Owners of the Obligations not so surrendered and paid all sums due with respect thereto, and in the event of deposits pursuant to subsections (2) or (3), the Obligations shall continue to represent direct and proportionate interests of the Owners thereof in such funds.

(b) Any funds held by the Trustee, at the time of one of the events described in paragraph (a) of this Section, which are not required for the payment to be made to the Owners or for the payment of any other amounts due and payable by the City hereunder or under the Purchase Agreement, shall be paid over to the City.

(c) Any Obligation or portion thereof in Authorized Denominations may be paid and discharged as provided in this Section; provided however, that if any such Obligation or portion thereof is to be prepaid, notice of such prepayment shall have been given in accordance with the provisions hereof or the City shall have submitted to the Trustee instructions expressed to be irrevocable as to the date upon which such Obligation or portion thereof is to be prepaid and as to the giving of notice of such prepayment; and provided further, that if any such Obligation or portion thereof will not be payable within sixty (60) days of the deposit referred to in paragraph (a), subsections (2) or (3) of this Section, the Trustee shall give notice of such deposit by first class mail to the Owners.

(b) To the extent applicable under Section 41-4401, Arizona Revised Statutes, as amended, the Trustee shall comply with all federal immigration laws and regulations that relate to its employees and its compliance with the “e-verify” requirements under Section 23-214(A), Arizona Revised Statutes, as amended. The breach by the Trustee of the foregoing shall be deemed a material breach of this Trust Agreement and may result in the termination of the services of the Trustee. The City retains the legal right to randomly inspect the papers and records of the Trustee to ensure that the Trustee is complying with the above-mentioned warranty. The Trustee shall keep such papers and records open for random inspection during normal business hours by the Trustee. The Trustee shall cooperate with the random inspections by the City including granting the City entry rights onto its property to perform such random inspections and waiving its respective rights to keep such papers and records confidential.

(c) To the extent applicable under Section 35-393 et seq., Arizona Revised Statutes, as amended, the Trustee hereby certifies it is not currently engaged in, and for the duration of this Trust Agreement shall not engage in, a boycott of Israel. The term “boycott” has the meaning set forth in Section 35-393, Arizona Revised Statutes, as amended. If the City determines that the Trustee’s certification above is false or that it has breached such agreement, the City may impose remedies as provided by law.

Section 12.4. Governing Law. This Trust Agreement shall be construed and governed in accordance with the laws of the State.

Section 12.5. Binding Effect and Successors. This Trust Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns. Whenever in this Trust Agreement either the City or the Trustee is named or referred to, such reference shall be deemed to include successors or assigns thereof, and all the covenants and agreements in this Trust Agreement contained by or on behalf of the City or the Trustee shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 12.6. Execution in Counterparts. This Trust Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same Trust Agreement.

Section 12.7. Destruction of Cancelled Obligations. Whenever in this Trust Agreement provision is made for the surrender to or cancellation by the Trustee and the delivery to the City of any Obligations, the Trustee may destroy such Obligations and deliver a certificate of such destruction to the City instead.

Section 12.8. Headings. The headings or titles of the several Articles and Sections hereof, and any table of contents appended to copies hereof, shall be solely for convenience of reference and shall not affect the meaning, construction or effect of this Trust Agreement. All references herein to “Articles”, “Sections”, and other subdivisions are to the corresponding Articles, Sections or subdivisions of this Trust Agreement; and the words “herein”, “hereof”, “hereunder” and other words of similar import refer to this Trust Agreement as a whole and not to any particular Article, Section or subdivision hereof.

Section 12.9. Parties Interested Herein. The notice may provide that it shall remain in effect for subsequent payments until otherwise requested in a subsequent written notice.

The Trustee has no obligation or liability to the registered owners of the Obligations for the payment of interest or principal pertaining to the Obligations. The Trustee’s sole obligations are to administer, for the benefit of the registered owners of the Obligations, the various funds and accounts established pursuant to the Trust Agreement. (The recitals, statements, covenants and representations made in this Obligation shall be taken and construed as made by and on the part of the City, and not by the Trustee, and the Trustee does not assume, and shall not have, any responsibility or obligation for the correctness of any thereof.)

This Obligation has been executed and delivered by the Trustee pursuant to the terms of, and for the purposes described in, the Trust Agreement. The City is authorized to enter into the Purchase Agreement and the Trust Agreement under the laws of the State of Arizona and by a resolution of the Mayor and Council of the City adopted on May 3, 2022. Reference is hereby made to the Purchase Agreement and the Trust Agreement (copies of which are on file at the Designated Office) for further definitions, the terms, covenants and provisions pursuant to which the Obligations are delivered, the rights thereunder of the registered owners of the Obligations, the terms under which the Trust Agreement or the Purchase Agreement may be modified or supplemented, the rights, duties and immunities of the Trustee and the security for, and the rights and obligations of the City under the Purchase Agreement (including with respect to certain

(To the extent and in the manner permitted by the terms of the Trust Agreement, the provisions of the Trust Agreement and the Purchase Agreement may be amended by the parties thereto with the written consent of the owners of a majority in aggregate principal amount of all Obligations then outstanding, and may be amended without such consent under certain circumstances but in no event such that the interests of the owners of the Obligations are adversely affected, provided that no such amendment shall impair the right of any owner to receive in any case such owner's proportionate share of any Payment thereof in accordance with such owner's Obligation.)

The obligation of the City to make the Payments does not represent or constitute a general obligation of the City for which the City is obligated to levy or pledge any form of taxation nor does the obligation to make the Payments under the Purchase Agreement constitute an indebtedness of the City, the State of Arizona or any of its political subdivisions within the meaning of any constitutional or statutory debt limitation or restriction or otherwise.

Neither the Trustee nor the registered owners of the Obligations shall have any right under any circumstances to accelerate the stated payment dates of the Obligations or otherwise declare any of the Payments not then past due or in default to be immediately due and payable. (This Obligation represents an interest in a limited obligation of the City (as described herein), and no member of the Mayor and Council, officer or agent, as such, past, present or future, of the City shall be personally liable for the payment hereof.)

The Obligations are executed and delivered only in fully registered form in denominations of \$5,000 of principal due on a specific payment date or integral multiples thereof. The Obligations shall not be transferable or exchangeable, except as provided in the Trust Agreement.

This Obligation may be exchanged for an Obligation or Obligations of like aggregate principal amount in authorized denominations having the same stated payment date and interest rate.

This Obligation is transferable by the registered owner hereof, in person or by his attorney duly authorized in writing, at the Designated Office, but only in the manner, subject to the limitations and upon payment of the charges provided in the Trust Agreement and upon surrender and cancellation of this Obligation. Upon such transfer a new Obligation or Obligations, of authorized denomination or denominations, for the same aggregate principal amount will be delivered to the transferee in exchange therefor. The City and the Trustee may treat the registered owner hereof as the absolute owner hereof for all purposes, whether or not this Obligation shall be overdue, and the City and the Trustee shall not be affected by any notice to the contrary.

The Trustee may require a registered owner, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes or governmental charges required by law in connection with the exchange or transfer.

The Trustee may, but shall not be obligated to, exchange or register the transfer of this Obligation (i) if this Obligation has been selected for prepayment, in whole or in part, or (ii) during a period of fifteen (15) days preceding the giving of a notice of prepayment. If this Obligation is transferred after having been selected for prepayment, any notice of prepayment which has been given to the transferor shall be binding on the transferee, and a copy of the notice of prepayment shall be delivered by the Trustee to the transferee along with the duly registered Obligation or Obligations.

The registered owner of this Obligation shall have no right to enforce the provisions of the Trust Agreement or the Purchase Agreement or to institute any action to enforce the covenants thereof, or to take any action with respect to a default thereunder or hereunder, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Trust Agreement.

Principal represented by the Obligations payable before or on July 1, 20__, is not subject to prepayment. Principal represented by the Obligations payable on or after July 1, 20__, is subject to prepayment in such order and from such principal amounts payable as may be selected by the City, in whole or in part on any date on or after July 1, 20__, at a price equal to the principal amount to be prepaid, together with accrued interest to the date fixed for prepayment but without premium.

If less than all of the principal represented by the outstanding Obligations of any payment date are to be prepaid, the Obligations (or portions hereof) to be prepaid will be selected by the Trustee by lot or in any customary manner as determined by the Trustee. Prepayments shall be in authorized denominations or any integral multiples thereof.

The Trustee shall give notice of any optional prepayment of this Obligation as provided above no more than 60 or less than 30 calendar days prior to the prepayment date to the registered owner at its address shown on the registration books maintained by the Trustee. A certificate of the Trustee shall conclusively establish the mailing of any such notice for all purposes.

If at the time of mailing of the notice of prepayment there has not been deposited with the Trustee moneys or eligible securities sufficient to prepay and other requirements set forth in the Trust Agreement are not met, such notice shall state that it is conditional, subject to the deposit of moneys sufficient for the prepayment and satisfaction of such conditions. If the portion of the principal represented by the Obligation is subject to prepayment and if on the prepayment date moneys for the prepayment thereof are held by the Trustee and those other conditions are met, thereafter such principal to be prepaid shall cease to bear interest, and shall cease to be secured by, and shall not be deemed to be outstanding under, the Trust Agreement.

The failure to receive any notice of prepayment, or any defect in such notice in respect of any Obligation, shall not affect the validity of prepayment of any Obligation.

It is hereby certified, recited and declared that all conditions, acts and things required by the Constitution and laws of the State of Arizona to happen, to be done, to exist and to be performed precedent to and in the execution and delivery of this Obligation have happened,

have been done, do exist and have been performed in regular and due form and time as required by law.

This Obligation shall not be entitled to any security or benefit under the Trust Agreement until executed by the Trustee.

IN WITNESS WHEREOF, this Obligation has been executed and delivered by the Trustee, acting pursuant to the Trust Agreement.

PROCEDURES FOR COMPLIANCE WITH CONTINUING DISCLOSURE UNDERTAKINGS

IMPLEMENTED MAY 3, 2022

These Procedures for Compliance with Continuing Disclosure Undertakings (these “Procedures”) set forth procedures of the City of Bisbee, Arizona (the “Issuer”) to assist in compliance with the continuing disclosure undertakings (“Continuing Disclosure Undertakings”) entered into by the Issuer in connection with the offering of obligations of the Issuer subject to the continuing disclosure requirements of Rule 15c2-12 (the “Rule”) promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934.

These Procedures document practices and describe various procedures for preparing and disseminating annual financial information and reporting “listed events” for the benefit of the holders of the Issuer’s obligations and to assist Participating Underwriters (within the meaning of the Rule) in complying with the Rule.

Compliance with pertinent law is an ongoing process; necessary during the entire term of any obligations issued by the Issuer, and is an integral component of the Issuer’s debt management. Implementation of these Procedures will require ongoing monitoring and consultation with bond/disclosure counsel and the Issuer’s accountants and advisors.

General Policies and Procedures

1. The Finance Director of the Issuer (the “Compliance Officer”) will be responsible for monitoring post-issuance compliance.
2. The Compliance Officer will coordinate procedures for record retention and review of such records.
3. All documents and other records relating to obligations issued by the Issuer shall be maintained by or at the direction of the Compliance Officer.
4. The Compliance Officer will review post-issuance compliance procedures and systems on a periodic basis, but not less than annually.
5. The Compliance Officer will review the annual information required to be filed pursuant to each Continuing Disclosure Undertaking.
6. The Compliance Officer will train at least one other employee of the Issuer with respect to the matters contained in these Procedures to facilitate compliance with the Continuing Disclosure Undertakings in the event the Compliance Officer is no longer employed by the Issuer.

Continuing Disclosure

In order to monitor compliance by the Issuer with its Continuing Disclosure Undertakings, the Compliance Officer will take the actions listed below, if and as required by such Continuing Disclosure Undertakings. The Compliance Officer may coordinate with staff, and may engage a dissemination

agent, counsel, and/or other professionals to assist in discharging the Compliance Officer's duties under these Procedures as the Compliance Officer deems necessary.

A. Compilation of Currently Effective Continuing Disclosure Undertakings

The Compliance Officer shall compile and maintain a set of all currently effective Continuing Disclosure Undertakings of the Issuer. Such agreements are included in the transcript of proceedings for the Issuer's respective obligation issue. Continuing Disclosure Undertakings are "Currently Effective" for purposes of these Procedures (and hence shall be included in the set of Currently Effective Continuing Disclosure Undertakings) for so long as the obligations to which they relate are outstanding. As obligations are completely repaid or redeemed, the Compliance Officer shall remove the related Continuing Disclosure Undertakings from the set of Currently Effective Continuing Disclosure Undertakings.

B. Compilation of Currently Effective Financial Obligations

The Compliance Officer shall compile and maintain a list of all currently effective Financial Obligations of the Issuer. "Financial Obligations" means, for purposes of the Rule, a (i) debt obligation, (ii) derivative instrument entered into in connection with or pledged as security or a source of payment for, and existing or planned debt obligation, or (iii) a guarantee of (i) or (ii). For purposes of the Rule, Financial Obligation shall not include municipal securities of the Issuer as to which a final official statement has been provided to the Municipal Securities Rulemaking Board consistent with the Rule and as to which a continuing disclosure undertaking has been executed and delivered by the Issuer consistent with the Rule.

Such list shall include key terms of each Financial Obligation, such as date of incurrence, principal amount, maturity, amortization, interest rate, default rates, security and source of payment and key covenants.

C. Annual Review and Annual Reporting Requirements

The Compliance Officer shall ensure that all necessary financial statements, financial information and operating data is filed in the manner and by the filing dates set forth in the Currently Effective Continuing Disclosure Undertakings. The Compliance Officer shall review the set of Currently Effective Continuing Disclosure Undertakings annually, prior to each annual filing, keeping in mind:

- The financial information and operating data required to be reported under a particular Continuing Disclosure Undertaking may differ from the financial information and operating data required to be reported under another Continuing Disclosure Undertaking; and
- The timing requirements for reporting under a particular Continuing Disclosure Undertaking may differ from the timing requirements for filing under another Continuing Disclosure Undertaking.

D. Calendar; EMMA Notification System

The Compliance Officer shall keep a calendar of all pertinent filing dates required under the Issuer's Currently Effective Continuing Disclosure Undertakings. The Compliance Officer shall also subscribe to notification services made available through the Electronic Municipal Market Access system of the Municipal Securities Rulemaking Board.

E. Annual Review of Prior Filings

As part of the annual review process, the Compliance Officer shall also review prior filings made within the past five years subsequent to the last such review of prior filings. If the Compliance Officer discovers any late or missing filings, the Compliance Officer (after discussing the circumstances with the Issuer's dissemination agent, counsel or other agents as necessary) shall file the missing information.

F. Monitoring of Listed Events

The Compliance Officer shall monitor the occurrence of any of the following events and/or other events set forth in the Currently Effective Continuing Disclosure Undertakings and shall provide notice of the same in the required manner and by the relevant reporting deadline (generally within 10 days of the occurrence):

1. Principal and interest payment delinquencies;
2. Non-payment related defaults, if material;
3. Unscheduled draws on debt service reserves reflecting financial difficulties;
4. Unscheduled draws on credit enhancements reflecting financial difficulties;
5. Substitution of credit or liquidity providers, or their failure to perform;
6. Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Issuer's obligations, or other material events affecting the tax status of the Issuer's obligations;
7. Modification to rights of holders of the Issuer's obligations, if material;
8. Calls of the Issuer's obligations, if material, and tender offers;
9. Defeasances of the Issuer's obligations;
10. Release, substitution or sale of property securing repayment of the Issuer's obligations, if material;
11. Rating changes;
12. Bankruptcy, insolvency, receivership or similar event of the Issuer;
13. The consummation of a merger, consolidation, or acquisition involving the Issuer or the sale of all or substantially all of the assets of the Issuer, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
14. Appointment of a successor or additional trustee or the change of name of a trustee, if material;
15. Incurrence of a Financial Obligation of the Issuer, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Issuer, any of which affect security holders, if material; and
16. Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Issuer, any of which reflect financial difficulties.

The list of Currently Effective Financial Obligations compiled pursuant to B. above will assist in making determinations with respect to Listed Events 15 and 16.

G. Review of Official Statements

The Compliance Officer shall review drafts of any offering document for a new offering of obligations, with assistance from its dissemination agent, counsel or other agents of the Issuer as necessary, and shall determine that the offering document accurately and completely describes the Issuer’s continuing disclosure compliance history within the five years prior to the date of the respective Official Statement. This compliance review is not meant to limit the Issuer’s other reviews of or diligence procedures relating to its offering documents.

H. Record Retention

The Compliance Officer shall retain documentation evidencing the Issuer’s annual reviews and its reviews of offering documents in connection with new offerings as set forth above. This Issuer shall retain this documentation, for each Continuing Disclosure Undertaking, for the period that the related obligations are outstanding.
