PLEDGE OF ALLEGIANCE

MAYOR'S PROCLAMATIONS AND ANNOUNCEMENTS:

- Mayor Smith listed his activities over the last couple of weeks:
 - On February 11th he had his bi-monthly meeting with the City Manager
 - On February 12th he met with the new Council general of Mexico-based in the Douglas office.
 - On February 14th he met with a private recycling company that wanted to come to our area. They will be servicing Sierra Vista and that area.
 - On February 17th he did an interview with KOLD TV regarding the City Hall building demolition
 - On February 18th he sat on the Fire Department Oral Boards for the position of Fire Marshal. He also attended Cochise Addiction Recovery Partnership Meeting.
- He informed the Council and Public that he had been appointed to the International Boundary Water Commission Steering Committee. This would be a way to try to assist on the Naco sewage problem.

CALL TO THE PUBLIC

- Alexis Claire, Bisbee resident said that Tasers were not needed or wanted here. Tasers were responsible for killing and injuring a lot of people. The \$18,000 being requested to supplement this purchase was shocking. She said that this money could be better spent elsewhere. She also commented on Firewise and the environment. She said that she witnessed more than 50 healthy trees being cut. This happened under the director of Firewise. She said that cutting the trees had caused a serious soil erosion problem.
- Fred Miller, Bisbee resident spoke on the upcoming bed tax item. He supported the bump in bed tax. Tourism was the economic driver that paid the bills. He suggested to raise it by 2%. He explained that this would have no out-of-pocket effect on the residence of Bisbee and would be entirely funded by overnight visitors to the city.

OLD BUSINESS

- 3. Discussion and Possible Approval of Ordinance O-20-01; Amending the City Code Section 10.1.8, Nuisance.

Theresa Coleman, City Manager

Mayor Smith said that there were members of the public signed up to speak about this item.

Ken Budge, Bisbee resident said that after the first passing of this ordinance he received phone calls from neighbors with concerns. The main concern was the Entertainment district and the fact that it was lacking restrictions. He felt that addressing the Entertainment District later was backwards. He requested the removal of number six. He requested that the additions state what the city wanted to allow and not what they wanted to disallow.

Jeff Harris, Bisbee resident said that this Ordinance was poorly written. He said that it was unenforceable as currently written. He said that the municipality only has the authority to enforce ordinances that are either authorized by statute or by charter. The city was authorized to regulate public nuisances not private nuisances. He said that we were trying to enforce an unreasonable standard.

Ms. Coleman explained that we wanted to address the Entertainment District. She said that it would be reasonable to remove number six at this point and then go back and define the activities that were allowed.

Mr. Ledbetter said that Council could remove number six but when the ordinance was adopted it would be applicable to the Entertainment District. That would cause the city to deal with the time periods between 10 PM and 6 AM.

Mayor Smith said that his preference would be to table this item and address the issues that were brought before us.

MOTION: Mayor Smith moved to table this item.

SECOND: Councilmember Johns

MOTION PASSED: UNANIMOUSLY

NEW BUSINESS

- 4. Presentation by Bisbee Vogue, Inc. for support in the use of city land for Bisbee Outdoor Recreation Center to build a Fitness Park at Higgins Hill and possible approval for a license to construct the Fitness Park on city property.

Theresa Coleman, City Manager

Jamie Trevillyan, Bisbee Vogue gave a presentation on the Bisbee Outdoor Recreation Center proposal. The presentation is attached as Exhibit "A".

Mayor Smith said that he wanted it to be clear what Bisbee Vogue was proposing. He said that it was permission to allow Bisbee Vogue to collect funds and gift the Bisbee outdoor recreation Center to the City of Bisbee. He said that the city would remain the owner of the land and all the equipment, by doing so we would not go through the procurement process.

Ms. Trevillyan said that was correct.

Mayor Smith asked who would maintain this.

Ms. Trevillyan said that the good news was this was the same surface as the basketball and racquetball court so maintenance would be minimal. Maintenance would most likely fall on the city unless otherwise negotiated.

Mayor Smith asked how long the surface was guaranteed for.

Bisbee Vogue responded that it was guaranteed for 25 years.

Councilmember Johns asked if neighbors and the community that would be effected by this project had been contacted. She asked if there were numbers or data associated with that.

Ms. Trevillyan responded that they had talked to people and they were supportive. But she did not have data, but they would start tracking it from this point.

Councilmember Hansen said that she assumed the City of Bisbee would have liability for this park. She went on to ask what the backing was made of.

Ms. Trevillyan responded that it was a hard backing that would be set back about 6 feet from the basketball court.

Cynthia Conroy, Bisbee resident read letters of support. She explained that this could serve many people in the community. She said that a recreation center would draw people to Bisbee.

Lee Causer, Bisbee resident spoke in support of the Recreation Center. He said that he was a cancer survivor and was undergoing physical therapy in Sierra Vista. This was exactly what he was traveling out of town for. He would love if he could do this in Bisbee especially outside.

Councilmember Hansen asked if this would impact the traffic pattern and parking in that area.

Ms. Trevillyan responded that they envision most people walking to the park. Traffic should not be impacted.

Ms. Conroy said that they had also spoke to David Russel about doing shuttles to that area.

Councilmember Johns asked what the highest piece of equipment was.

Ms. Trevillyan responded that it was around the 6-foot mark.

Organizational Synopsis

Founded in 1985, Central School Project (CSP) is a 501c3 nonprofit arts organization with the three-fold mission of preserving and adapting the historic Central School building as a cultural center, fostering appreciation of the arts in the Bisbee community, and providing affordable work space to working artists. CSP has been making great progress with growing its community partnering, adding more programs, exhibitions, workshops and rentals to our calendar.

Program Background

The MAKE Youth Arts Festival fest is held each year in the month of March at CSP to celebrate National Youth Arts Month. Our 12th Annual MAKE fest is slated to be held Saturday, March 20, 2021. It is an all-day arts festival for children from age 3 to 18 which provides interactive, multicultural, and multidisciplinary arts experiences at no cost to area families. MAKE celebrates art created by young people, and exposes Bisbee and surrounding area youth to the diversity of the arts through quality activities devised and delivered by talented artists and crafts people of our region.

The MAKE fest now partners with the Cochise County Court, the Copper Queen Library, CMS, BUSD and PSA Art awakenings, Solstead Group, R.A.I.N. and Bisbee Science Lab. We reach out to Naco School and Bisbee Boys and Girls Club annually with the hope they will join us as well. We now have teenagers who grew up with MAKE volunteering as leaders and helpers. We want children and their parents to see Central School Project as a resource and an open fun place.

Art Making Examples of 2020

Mask-making, Bubble science and bubble contest, tiny adobe house making, bracelet-making, STEM projects, portrait drawing with kids age 10-18, poetry tree of life project, an activity led by the library, t-shirt printing and much more.

2021 GOALS and Objectives

Measurable Objective: Create a day long free art making and art appreciation festival for children and their families. Serve 150 regional youth and their families.

1. Exhibit artwork made by Bisbee and outlying vicinity's youth. (CMS, Double Adobe School, BUSD, Christian Charter School)
2. Ensure that children and parents leave the event with a positive impression of Central School and the Old Bisbee arts community.
3. A keen sense of the value of art-making in a variety of forms.
4. Have activities that develop critical thinking, communication, innovation appreciation, self-expression, patience, and cooperation skills that can directly relate to success in school, work and positive family dynamics.
5. Recruit artists to direct and help with activities who have never done so before. Pay a stipend of 50.00 to artists leaders.

6. Have BUSD musical group (s) perform and make donation to their fund through the School District. Invite Dance groups.
7. Run a t-shirt design contest with middle and high school students for the MAKE tshirt. 2019 and 2020 we gave winners prizes: gift certificates for local restaurant.

Determining Success

Each year we track the number of participants with an intake form and provide them with an exit survey which helps us determine the success of the event. Our survey was revised in 2017.

Data collection expansion:

Our MAKE Youth Arts Festival requires parents to register at the door and we collect number of children, ages, zip code and street address optional. We also require the families to fill out a short survey. We have volunteers now with clipboards at the various art making stations helping with surveys. Our questions are:

1. How did you find out about MAKE?
2. Is this your first time to the MAKE fest?
 - 2a. if not, how many years have they been coming?
3. Did they learn something new?
4. What activity was your favorite?

Targeted audience

We want to continue to serve our community of children from Bisbee, Douglas, Hereford, and Sierra Vista, and visitors from Phoenix, Mesa, Gilbert, and Tucson. We will be targeting Fort Huachuca families again. We often have out-of-state family visitors. Our outreach to Fort Huachuca has made a marked increase in families from the base participating.

The Youth this Program Serves

We want all the kids of our community to attend- many of whom are living in economically challenged circumstances.

Bisbee is a rural border community located in southeastern Arizona, 10 miles from the Mexican border. Bisbee Unified School District (BUSD) serves 935 students. Of these, 62% identify as Hispanic; 33% White; 2% African American; 1% American Indian; 1% Asian; 1% Other. (Source: Public School Review)

BUSD serves a low- income population. Median Household Income Level is \$36,229. This is far lower than the average for the state of Arizona, which is \$50,448. (Source: U.S. Census American Community Survey data for 2006-10). Poverty Levels in BUSD are high. 16.99% of BUSD families are below the federal poverty line. This is well above both the Arizona average of 10.94% and the U.S. average of 10.08%.

66% of BUSD's Greenway Elementary School students qualify for Free or Reduced Priced Lunch.

On Arts in early Childhood:

“In the early years, children explore the world around them, experiment with new concepts, and learn new words and the meaning of words, through singing, dancing, drawing, and dramatic play. The arts can instill creativity, a love of learning, and motivation to go to school. It is critical that children in early childhood programs—whether Head Start, child care, or pre-kindergarten—receive the opportunity to learn through art.-

Linda Smith, Deputy Assistant Secretary and Inter-Departmental Liaison for Early Childhood Development

Academic Outcomes

Underserved Students: Studies find that students from low socio-economic backgrounds, English language learners, and students with special needs realize particularly strong benefits through

arts education. In particular, research finds that the communications skills of elementary English language learners (ELL) benefit to the greatest degree from arts-integrated instruction. (Brouillette & Jennings, 2010; Brouillette, 2010; Carger, 2004; Montgomerie & Ferguson, 1999; Spina, 2006).

Overall Academic Achievement: Research suggests a positive relationship between arts learning and overall academic achievement, including gains in intelligence (IQ), grades, and performance on standard-ized tests. For example, studies find that elementary students in schools with art, music, and physical education taught by specialists do better on state standardized tests than their peers (Wilkins et al., 2003), as do students receiving arts-integrated instruction (Heath & Wolf, 2005; Ingram & Meath, 2007).

Project Administration

CSP Executive Director Laurie McKenna and the MAKE Committee will be responsible for the administration of MAKE.

The MAKE committee is been comprised of dedicated CSP members each year. We have a new member on board that has 21 years of art education K- 12. In 2020 CSP members and dozens of community members are volunteering a significant amount of time and skill for pre-production or production roles of the MAKE fest. CSP is dedicated to continuing this educational event.

Memorandum of Understanding
Related to Medical Transport Services

Recitals

Whereas the Copper Queen Community Hospital Emergency Department in Bisbee, Arizona ("CQCH") requires a method of transporting patients to other facilities, and the City of Bisbee ("City") - providing ambulance services through the Bisbee Fire Department ("BFD") - and Arizona Ambulance Transport (AAT), desire to provide these services, CQCH, the City/BFD and AAT have the following understanding:

1. Initial Request for Interfacility Transport

All requests by the CQCH for an interfacility transport shall be initiated by calling AAT's communications center at (520) 364-3000. The request shall include a report by the attending physician and/or nurse. The report shall include the following:

- A notification of the Level of Transport (as designated below) of the patient to be transported and any patient-specific transport needs.
- The name of the receiving hospital.
- Confirmation of receiving hospital acceptance (i.e., patient room or bed placement).
- Name of the accepting physician.

The Dispatcher shall immediately forward the request to either BFD or AAT per protocol detailed in Section 4. The Dispatcher shall not report any patient identifying information over the radio.

AAT will provide monthly computer aided dispatch (CAD) reports to the CQCH and BFD.

The CQCH, BFD and AAT will review the dispatch process 90 days after implementation. Any issues will be brought up and the parties will develop solutions. If the parties cannot agree to solutions, this section of the agreement may be renegotiated.

2. Levels of Transport/Response Times

One of the following Levels of Transport shall be designated in the report, triggering the applicable response times set forth below:

Level I- The CQCH shall designate a patient emergency "Level I" when it involves a patient who, in the opinion of the patient's attending physician or other qualified CQCH staff, has an immediate life, or limb, threatening illness or condition. These patients will be transported by an ALS Ground Ambulance, CCT Ground Ambulance or CCT Air Ambulance.

Response time shall be immediate.

Level II - The CQCH shall designate a patient emergency "Level II" when it involves a patient who, in the opinion of the patient's attending, has a serious, but not immediately life, or limb, threatening, illness or condition. These patients will generally be transported by a Paramedic.

Response time shall be no more than 30 minutes.

Level III - The CQCH shall designate a patient emergency "Level III" involving a patient who, in the opinion of the patient's attending physician, has neither a life, or limb, threatening nor serious illness nor condition. These patients will generally be transported by either an EMT or Paramedic.

Response time will be as soon as reasonably possible for a unit to be deployed, but in no event shall the response time be longer than 60 minutes, unless otherwise agreed to by the CQCH at the time of the transport.

The parties acknowledge that the designation of the level of patient emergency in all cases shall be made solely by the patient's attending physician or other qualified CQCH staff.

3. Response to Initial Request

- Within 5 minutes of the CQCH's request for a transport made to the AAT Dispatcher, AAT will confirm such request with the attending physician or nurse and provide an estimated time of arrival at the CQCH by calling 520 432-6536. If, as set forth in Section 5, AAT calls BFD to provide the transport, AAT will request BFD call the attending physician or nurse to confirm receipt of the request for transport and an estimated time of arrival. Confirmation by the provider to the CQCH shall also be made within 5 minutes of the CQCH's initial request to AAT.
- The CQCH will assess if Basic Life Support (BLS), Advanced Life Support (ALS) or Critical Care Transport (CCT) is necessary for the transport and whether ground transport is appropriate.
- As necessary, the transporting entity will initiate telemetry with the receiving hospital and establish medical control.
- The transporting entity shall arrive at the CQCH no later than the response times indicated in Section 2.

4. Rotation

Request for transports by the Copper Queen Hospital will be subject to a specific destination. In this MOU any Transfer request that remain within Cochise County will be assigned to Bisbee Fire Department ("BFD"). Any transfer request outside of Cochise County will be assigned to Arizona Ambulance Transport ("AAT").

BFD and AAT agree to collate, share and evaluate transport data on a quarterly basis in order to verify that this rotation is occurring.

For the entirety of each contract year, CQCH shall keep and provide to any party upon request accurate records for each interfacility transport that shows:

- i. Date and time of call
- ii. Level of call
- iii. Time responding entity arrived at CQCH
- iv. Time responding entity departed CQCH

Calls will be rotated on location specific basis to BFD, in Cochise County and to AAT outside of Cochise County.

5. Inability to Respond within the Defined Response Times

- Independent of the rotation, If BFD is unable to respond with an appropriate resource within the response times indicated in Section 2, it shall immediately contact AAT at (520) 364-3000 and provide information as described in Section 1.
- If AAT is unable to respond with an appropriate resource within the response times indicated in Section 2, it shall immediately contact BFD and request that BFD perform the transport.
- For ground ambulance transport requiring attendance by an RN or SCT Paramedic, AAT shall be immediately contacted by BFD.
- In the event BFD and AAT are unable to respond, AAT will attempt to dispatch a mutual aid ground ambulance provider. At no time can a mutual aid provider be utilized prior to AAT and BFD declining the transport.

6. Lack of Confirmation

In the event:

- (b) the CQCH does not receive a confirmation call from either the BFD or AAT within 5 minutes of its initial request to the AAT Dispatcher:

SUBJECT: DISCUSSION AND POSSIBLE APPROVAL OF A NOTICE OF INTENT TO ADOPT ORDINANCE O-20-04, AMENDING THE CITY CODE TO REPEAL AND REMOVE FEES WITHIN THE CITY CODE AND APPROVAL OF A CITY FEE SCHEDULE	

FROM: **Theresa Coleman, City Manager**

RECOMMENDATION: **Approve Notice of Intent**

PROPOSED MOTION: **I move to approve the Notice of Intent to adopt Ordinance O-20-04, Amending the City Code to repeal and remove fees within the City Code and Approval of a City Fee Schedule**

DISCUSSION:

The City of Bisbee is proposing changes to various fees along with creating a Fee Schedule. Many of these fees have not been increased in many years. An increase in fees is needed to keep up with the increasing costs associated with providing these services. The Fee Schedule would allow the City to have all fees in one central location making it much easier to find fees.
