BELLY DANCE CLASS ADDS SECOND LEVEL

Due to the immediate popularity of the library’s Middle Eastern Bellydance Class, Yotaki has added another class. Level 1 will be Monday’s from 4 – 5 PM and Level 2 will be from 5 – 6 PM. Classes are free but registration is required. The library has also added a collection of Bellydance CDs to our audio collection. Check one out today and get dancing!

PAPIER MACHE WORKSHOP & PUMPKIN ART CONTEST

October at CQ Library will feature a two-part papier mache workshop with Artist Gretchen Hill and a Pumpkin Art Contest with a \$100 prize! Patrons may submit any 3D artist’s pumpkins for entry in the contest, including papier mache, fabric, wood, metal, or other materials. However, real, organic pumpkins will not be accepted. Pumpkins will be on display on the second floor balcony from October 17 through Halloween. Patrons can cast a vote for their favorite every time they check out library materials. Deadline for entry is October 17. Register for the workshop at the Circulation Desk. You do not have to take the workshop to enter the contest.

CHECK OUT THE NEW PLANTS FROM THE BISBEE BLOOMERS

A special thank you to the Bisbee Bloomers for donating money for the purchase of new plants for the interior of the library, including some exotic species that now beautify the Children’s Library!

LIBRARY WEEKEND WARRIORS CLEAN & REFINISH WOODWORK

A group of committed volunteers has been working hard to deep clean the library’s interior and bring back the shine to our beautiful woodwork. Built in 1907, the CQ Library features wonderful mission-style woodwork that has lost some of its luster over the past 109 years. The Weekend Warriors have been busy cleaning and resealing wall panels, window trims, doors, and moldings, giving a renewed life to our wonderful, old building. Thanks to all their hard work and commitment!

BISBEE HIGH SCHOOL SHOP CLASS TO REBUILD FRIENDS’ BOOKSTORE

The Friends of the Library and the City of Bisbee have partnered with Bisbee High School to rebuild the Friends’ Bookstore. Under the leadership of BHS shop teacher Jason McCutcherson, the shop class will be building new bookshelves throughout the semester and will be installing them by the end of the year, after placing a fresh coat of paint on the walls and trim.
