**Auto Repair**  
Reference Center

Car making funny noises? Wondering about recalls on your ride? Looking for an electrical diagram or an exploded view of your transmission? Want to know the maintenance schedule on your timing chain?

The **Auto Repair Reference Center (ARRC)** gives you FREE online access to every repair manual originally published in the Chilton Total Car Care Series. All you need to get started is a computer with internet access, a library card, and a PIN.

ARRC provides users with step-by-step instructions written specifically for the "do-it-yourself," but comprehensive enough for professional technicians. This FREE database includes:

- coverage of more than 35,000 vehicles from 1945 to present
- repair procedures for about 26,000 vehicles
- approximately 99,000 Technical Service Bulletins and Recalls
- over 158,600 enhanced wiring diagrams
- nearly 857,000 factory drawings and step-by-step photographs
- Labor Time Guide and Estimator
- Specifications & Maintenance Schedules

To access **ARRC**, go to the Copper Queen Library's homepage at [copperqueenlibrary.com](http://copperqueenlibrary.com) and click on the RESEARCH DATABASES icon and then click on **Auto Repair Reference Center** on the Cochise County Library's database page. While in the Virtual Library, explore some of the other free and exciting services available to you.
