April is Friends Membership Month

Renewal cards were mailed on April 6th to members whose last payment was in 2017. If you did not receive one, use the attached form to renew your membership. Your support supplements materials, programs, and equipment that cannot be covered by the City budget.

Here are several items that Library staff requested and the Board approved in March and April.

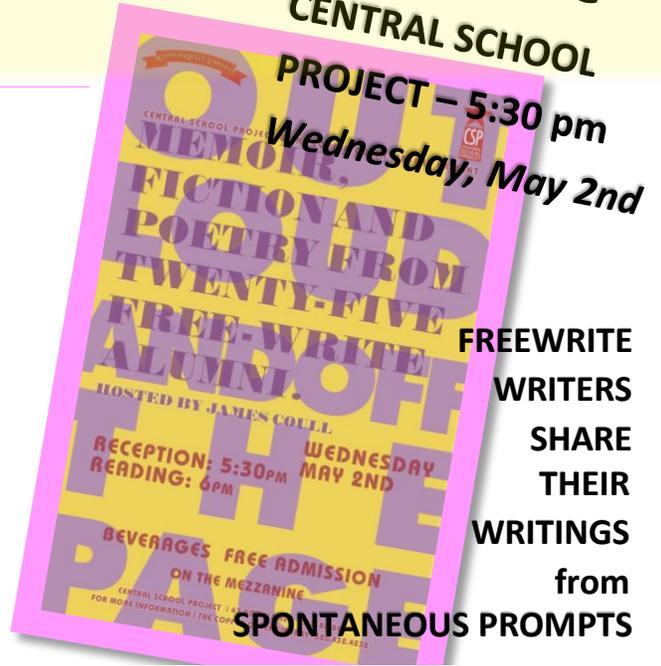

“LIBRARY ROCKS” SUMMER READING PROGRAM - \$500

This money will buy tote bags, thermoses, notebooks, musical instruments etc. to enhance this year’s theme.

CLASSIC MOVIES ON DVD’S - \$500

For years, the Library has been adding films from companies that specialize in publishing important classic and contemporary films from around the world. The current budget confines purchases to current feature films and kid’s movies. Here are just a few titles that will be purchased: “Shoot the Piano Player;” “The New World;” “Repo Man;” “Women in Love;” “My Old Lady.”

All Board purchases are recorded in the Minutes which are kept in a binder in the Friends’ Bookstore. Feel free to browse this binder and see what your money is buying.

Thank you to Chet Whiting for letting us print his poem. The prompt for this writing was a picture of a skull and crossbones.

SEMANTICS

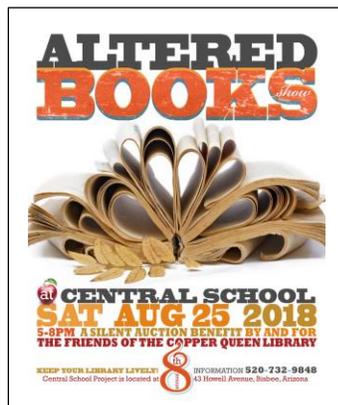

A cannon blast took the mizzen mast,
And blew it all to bits,
And bosun Jim, or what’s left of him,
Is the size of olive pits.

In the foaming wake of Sir Francis Drake,
We all put out to sea,
And privateer or buccaneer,
It’s all the same to me.

It’s a risky game that can leave you lame,
Or swinging from the gallows,
Or under wave in a watery grave,
In fathoms deep or shallows.

Still today we won and away we run,
To spend what’s in our hold,
Silver plate, packed by the crate,
And lots of Spanish gold.

A pirate’s life is filled with strife,
With never time to tarry,
But we spend our loot and don’t give a hoot,
Here’s to life that’s short, but merry.
