

CONTRACT AGREEMENT

THIS AGREEMENT, entered into this 5th day of June, 2018, by and between the City of Bisbee, Cochise County, State of Arizona (hereinafter called the "CITY") acting herein by David M. Smith, the Mayor of the City of Bisbee, hereunto duly authorized, and KE&G Construction, Inc. (hereinafter called the "CONTRACTOR") acting herein by Larry Saunders, Senior Project Manager, hereunto authorized.

WITNESSETH THAT:

The CITY desires to engage the CONTRACTOR to render construction services for the Tin Town Drainage Project, CDBG Contract #129-17.

NOW, THEREFORE the parties do mutually agree as follows:

1. Work

CONTRACTOR shall complete all work as specified or indicated in the contract documents. The work is generally described as follows:

Work includes constructing retention pond, gate controlled outlet structure and weir to reduce flooding in the area of Bisbee known as Tin Town.

2. Access to Information

It is agreed that all information, data reports, records and plans necessary for carrying out the work outlined above have been furnished to the CONTRACTOR by the CITY and its agencies. CONTRACTOR hereby acknowledges receipt of same. No charge will be made to the CONTRACTOR for such information and the CITY and its agencies will cooperate with the CONTRACTOR in every way possible to facilitate the performance of the work described in the Contract and any addendum.

3. Project Manager - Administration

The CITY has designated South Eastern Arizona Governments Organization (SEAGO) as administration project manager. Bonnie Williams, CDBG Program Manager shall be empowered to perform all administrative functions as required for management of the project and verification of compliance with ADOH requirements.

4. Contract Times

The work will be completed and ready for final payment within ninety (90) calendar days of the date in the Notice to Proceed.

5. Liquidated Damages

CITY and CONTRACTOR recognize that time is of the essence of this Agreement and that the CITY will suffer financial loss if the work is not completed within the time specified. They also recognize

the delays, expense and difficulties involved in proving the actual loss suffered by the CITY if the work is not completed on time. Accordingly, instead of requiring any such proof, the CITY and CONTRACTOR agree that as liquidated damages for delay (but not as a penalty) CONTRACTOR shall pay the CITY \$500.00 for each day that expires after the time specified for final completion until the work is complete and ready for final payment.

6. Compensation and Method of Payment

The amount of compensation and reimbursement to be paid hereunder is: One Hundred Forty-One Thousand, Two Hundred and Fifteen Dollars (\$141,215.00), the total of the base bid. Originals of the Applications for Payment are to be submitted no later than the first day of the month to Carson Taylor, P.E., Project Engineer, Souder, Miller & Associates Engineering, 500 W. Main St., Safford, AZ 85546, www.soudermiller.com (928) 428-9141 (office) (575) 650-3160 (mobile).

The Engineer shall review and verify the percentage, progress and quality of work completed. The Engineer will also submit a copy of the approved Application for Payment to: Bonnie Williams, CDBG Program Manager, SEAGO, at bwilliams@seago.org.

SEAGO shall verify compliant completion of all necessary documentation required by ADOH, including but not limited to, federal Labor Standards/Davis-Bacon Act. Should there be repeated non-compliance issues on the part of the CONTRACTOR, SEAGO is authorized to advise the CITY to withhold payment until the issues are resolved.

The CITY and CONTRACTOR mutually agree that the CITY will make a progress payment based on the estimate of the work covered by the corresponding Application for Payment, subject to those conditions stipulated below and in other parts of the contract documents.

The CITY will make payments in the amount equal to ninety percent (90%) of work completed (i.e. CITY will retain ten percent (10%) of each estimate as additional guarantee for complete performance of the work), less the aggregate of payments previously made and less such deductions as the CITY determines are appropriate to cover claims requiring a greater sum to be retained.

Except as qualified above, upon final completion and acceptance of the work or designated part of the work on which separate final completion and acceptance and contract price are specified and upon compliance with other terms and conditions of the contract documents, payment may be made in full, including retainage withheld less such deductions as the CITY may withhold to cover claims requiring a greater sum to be retained and liquidated damages.

The CITY may deduct from each progress payment and final payment an amount equal to the CITY's estimate of the liquidated damages then due or that would become due based on the CITY's estimate of late completion of the work if CONTRACTOR fails to submit and implement a written schedule recovery plan describing the cause of schedule slippage or delayed progress and the actions proposed to recover schedule.

7. Indemnification

- a. CONTRACTOR shall comply with the requirements of all applicable laws, rules and regulations and shall exonerate, indemnify and hold harmless the CITY and its employees and officers, SEAGO and the State of Arizona Department of Housing (ADOH) ["Indemnified Parties"] from and for any violation caused by him and shall assume full responsibility for payment of federal, state and local taxes on contributions imposed or required under the Social Security, workers' compensation and income tax laws. The CONTRACTOR'S obligation under this Section shall not apply to any damages caused by the negligence of CITY or its employees. The indemnity provided in this Section shall survive termination of this Contract. Neither the contract amount, nor the minimum limits and types of insurance provided for, above, shall limit the scope and extent of indemnity hereunder.

8. Miscellaneous Provisions
