Powdercoat Limited Warranty

This is the only express warranty for the powdercoat and is in lieu of any other warranty or condition. The powdercoat is warranted to be free from defects in material and workmanship for a period of one (1) year from the date of original purchase. During this period, your exclusive remedy is repair or replacement of the powdercoat found to be defective, at our option; however, you are responsible for all costs associated with returning the product to us. If the powdercoat is no longer available, we will replace with a similar one of equal or greater value.

This warranty does not cover wear from normal use, or damage to the powdercoat resulting from accident, alteration, abuse, or misuse. This warranty extends only to the original purchaser. Keep the original sales receipt, as proof of purchase is required to make a warranty claim.

We exclude all claims for special, incidental, and consequential damages caused by breach of express or implied warranty. All liability is limited to the amount of the purchase price. Every implied warranty, including any statutory warranty or condition of merchantability or fitness for a particular purpose, is disclaimed except to the extent prohibited by law, in which case such warranty or condition is limited to the duration of this written warranty. This warranty gives you specific legal rights. You may have other legal rights that vary depending on where you live. Some local laws do not allow limitations on implied warranties or special, incidental, or consequential damages, so the foregoing limitations may not apply to you.
