SUBJECT: Discussion and possible to allow the purchase of wireless helmet communication kits for the Bisbee Police Department motorcycle units to upgrade communications equipment and ensure compliance with radio communication requirements for \$8,043.00. FROM: Timothy Cox, Chief of Police

RECOMMENDATION: Recommend Approval.

PROPOSED MOTION: I move to allow the purchase of wireless helmet communication kits for the Bisbee Police Department motorcycle units to upgrade communications equipment and ensure compliance with radio communication requirements for \$8,043.00. Funding for the purchase would be provided through the Capital Expenditures budget.

DISCUSSION: These communication kits are needed to ensure motorcycle officers can effectively and safely communicate with dispatch and other officers while operating their motorcycles. The current equipment does not fully meet operational radio communication requirements and can limit an officer's ability to receive and transmit critical information while riding. Wireless helmet communication systems provide hands-free operation, improve audio clarity, enhance officer safety, and ensure reliable communications during traffic enforcement, special events, emergency responses and daily operations.

FISCAL IMPACT: \$ 8,043.00

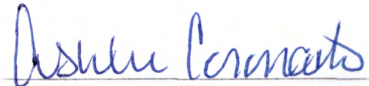

DEPARTMENT LINE-ITEM ACCOUNT: 1062-910000

BALANCE IN LINE ITEM IF APPROVED: \$38,957
