COPPER QUEEN LIBRARY MEXICAN CINEMA

Our Friends at the Alamos International Film Festival have donated a wonderful collection of Mexican films and documentaries that have been added to the CQL's circulating collection of DVDs. The donation highlights the great diversity of Mexican cinema, and includes both contemporary and classic films that have been featured at the Festival since its first run in 2011.

For more information about these films, please visit the Cochise County Library District's Online Catalog at copperqueenlibrary.com. Please note that nonfiction films are filed by dewey decimal number and feature films, including foreign films, are filed alphabetically by title. Use the provided call numbers to locate the film on the shelves of the CQL & CQ Library Annex.
