Potential future Survey Questions that we may ask the community/stakeholders

- How can we improve the efficiency of your city's services?
- What are your thoughts on the property taxes?
- What do you think is the biggest challenge that the municipality faces?
- Where do you get your local government information and news?
- How would you improve the ways that information is being given to you?
- Do you follow us on social media?
- Are you reading our newsletters and emails? If not, what would grab your attention?
- What do you see as the biggest opportunities for our community in the next 10-20 years?
- What are your primary concerns regarding transportation in our community?
- How can the general plan better address environmental sustainability?
- How can the general plan promote greater equity and inclusion in our community?
- What actions can be taken to ensure all community members have a voice in the planning process?
- Are there any best practices from other communities that you think we should consider?
