CALL TO THE PUBLIC –

Item 1.

Approve Minutes from the June 15, 2016 meeting.

Item 2.

Discuss on issues and suggestions brought up in Call to the Public.

- **Buses like trolleys- no**
- **Buses for free nighttime use-no**

The town cannot be split into three routes that stay within district confines. The Bisbee Bus is a public bus and serves the entire community as a whole, particularly people over 60 and those with mobility impairments. The buses have to meet certain ADOT specifications and be ADA accessible with trained, professional drivers behind the wheel.

While there may be people who would like to go from district to district on a weekend night for social activities, finding drivers to fill this position is unlikely, nor would they be free.

The possibility still exists to reduce Saturday afternoon runs due to low ridership.

*Shar Porier, Transit Administrator
Humberto Rivera, Transit Manager, Douglas*

Item 3.

New Shelters and New Bus Update

- Thanks to SEAGO, Bisbee's riders and Douglas Rides passengers will soon have shelters to protect them from the sun, rain and wind. The copper-colored shelters and benches will add a pleasant character to their surroundings. We are also awaiting city council approval for the matching funds needed to finalize the new bus match. They will be addressed at the September 6, 2016, meeting.

Shar Porier, Transit Administrator

Item 4.
