Finance

The Finance Department provides fiscal oversight for the City, providing all the accounting, financial, and internal audit services for the City, along with overseeing the procurement and risk management functions. The department also provides utility billing services for the Sanitation and Wastewater Funds and plays a vital role working with the City Manager on the preparation and implementation of the Annual Budget. A portion of the cost for this department is defrayed by transfers into the General Fund from the City's three Enterprise Funds: Wastewater, Sanitation, and Queen Mine. These transfers offset the costs of services such as billing, collection, payroll, accounts payable, auditing, and financial oversight. Last year as a part of their ongoing responsibilities the Finance Department received and accounted for over \$12 million in deposits for various funds, issued and collected approximately 60,000 sewer and garbage bills, and processed over 7,000 payroll and accounts payable checks. The department has staff dedicated to monitor and collect delinquent sewer and garbage accounts, and continue to place liens on delinquent accounts. In addition, all accounts are cross-checked quarterly with the County's property records to verify accuracy.

Fiscal Year 2017-18 Budget Highlights

- Decreased expenses \$16,033.
- Replaced the 5th full-time employee with two part-time positions. One part-time position will be 19.5 hours per week with no benefits. The other part-time position will be filled by the Personnel Director who will split their time 70% to Personnel and 30% to Finance. Finance will pick up 30% of this position's salary and benefits. The two part-time positions will assist with the financial management portion of the bus grant, ambulance billing, payroll entry, debt collection, audit preparation, and other finance office duties as assigned.
- Increased professional fees for continued work on the 5 year budget forecast and plan.

- Transfer portion of TPT Sales Tax 0.5% Revenue to Wastewater Fund
- Transfer to Bisbee Bus (if needed) to supplement the City's "in-kind" contribution to the operation.

Water System

This department is better known as the Old Bisbee Fire Suppression System. It consists of a large reservoir which gravity-feeds water to the distribution and fire hydrant system in Old Bisbee and a pump house that feeds water to the reservoir from a well located in the Mule Gulch Channel. The upper Tombstone/West Boulevard is also served by separate pumps which boost the pressure to assure ample fire fighting water supply and pressure. Maintenance of this system is handled by Public Works personnel. Expenditures for this department include expenses attendant to the system, and do not include personnel costs.

Swimming Pool

The Bisbee Municipal Swimming Pool is a long-standing feature of Bisbee recreation. The City of Bisbee was awarded a grant for \$47,500 from Arizona State Parks in 1967 to build the pool for the youth of Bisbee. Total project cost was \$95,000 and was completed in 1969. It included a large pool with a diving board, a baby pool, and a building for change rooms. Since then, a Ramada with picnic tables was added, the original diving board was removed, and the change rooms have been restructured. Over the past two fiscal year major repairs have been made to the pool to bring the pool into compliance with the ADA. A large donation was made to the City to repair the baby pool and other donations were gathered to help with pool operation. The pool will open to the public in May 2017 after a year of being closed.

Fiscal Year 2017-18 Budget Highlights

- Increased budget \$49,147.
- Added salary and benefits to cover pool employees.
- With the support of the Friends of the Bisbee Pool the City will keep the pool open an additional month and one week (August 2017 - 1st week of September 2017) during the FY18 season.
- Received over \$35,000 in donations which will help cover these added pool costs.
- The intention is to continue operation of the pool with a pending 3-year Memorandum of Understanding with the Copper Queen Hospital to help with pool operating costs and donations from Friends of the Bisbee Pool to help with Pool employee salaries.

The Copper Queen Library, Arizona's oldest continuously-operating public library, is owned and operated by the City. It was established in 1882 and has served the residents of Bisbee from its current location at 6 Main Street in the Downtown Historic District since 1907. The mission of the Copper Queen Library is to provide Bisbee residents of all ages with opportunities to achieve self-directed, personal growth and development; find, evaluate, and use information in a variety of formats; and better understand the various cultures represented in Bisbee. Library employees help train the public in library usage and offers educational and informational programs free to the public. The library also provides free meeting facilities for civic groups and other organizations. The Library elevator makes its services, programs, and collections accessible to all; additionally, both its Interlibrary Loan Service and its partnership with the Cochise County Library District enable the Library to provide services to blind and physically handicapped residents. The Library is staffed by a full-time Library Coordinator and two part-time Library assistants/clerks. The library also receives assistance from volunteers along with substantial financial assistance from the Friends of the Copper Queen Library.

Visitor Center

The Bisbee Visitor Center serves as an official Arizona Office of Tourism designated local visitor information center. This center provides information about area attractions, recreational opportunities and hospitality amenities. As required by the Arizona Office of Tourism, the center also provides a variety of brochures, maps and information for the 5 tourist regions of the state. The center also provides relocation and school packets. As a destination marketing organization, this office is responsible for securing and administering Arizona Office of Tourism Co-operative Marketing grants; City of Bisbee and Queen Mine Tour ad placements; marketing efforts including press releases, website, and Face Book administration; hosting familiarization tours for film producers and travel writers, and serving on the Cochise County Tourism Council. The manager maintains the official travel website, www.discoverbisbee.com as well as the Discover Bisbee Arizona Face Book Page. funded primarily through the Transient Room Tax (BED TAX), the Visitor Center budget is supplemented with resources from the Queen Mine Tour Enterprise Fund. In November of 2014, Bisbee citizens approved an additional one percent of Transient Tax (Bed Tax) to promote Bisbee as a "overnight destination". The additional bed tax will expire in 2018.

Fiscal Year 2017-18 Budget Highlights

- Decreased revenues/expenses \$61,066 due to not using as much cash carry-forward as in previous years.
- The City is working towards increasing fund balance by not budgeting use of cash carry forwards for funds that are unlikely to experience an emergency need for extra funds. The focus is to keep expenses matching revenues in these funds.
- No capital expenditures anticipated. In FY17 \$50,000 was budgeted for Visitor Center Annex and rest rooms. This project is not financially feasible at this time.

Streets Fund

The Streets fund pays for the operation and maintenance of City streets, rights of way and street lighting throughout the City. The main source of funding for the Streets Fund is the Highway User Revenue Fund (HURF). The Streets Division consists of three full-time permanent employees. The primary function of this department is maintenance of City streets, alleys, sidewalks, trees, stairs, other properties, and rights-of-way. Typical duties consist of patching and repairing streets, maintaining and repairing drainage channels, repainting traffic control markings such as cross walks, repairing, replacing, or installing traffic and pedestrian signage, and controlling vegetation, which may impede vehicular or pedestrian traffic, or the visibility of signs or markers. Other duties include the preparation for all events conducted in the City, not the least of which is the 4th of July, and the clean-up after the events. There are 42 miles of local streets and 15,447 lineal feet of stairs in the City which are maintained by this fund. Since the City discourages the use of herbicides, the vegetation must be cleared manually on both the roadside and the stairs. There are over a dozen major drainage ways in the City that must be cleared and cleaned after storm activity. The guardrails and handrails on both the stairs and the drainage ways must be maintained and the retaining walls in Bisbee that belong to the City must be preserved.

Fiscal Year 2017-18 Budget Highlights

- Increased revenues/expenses \$7,385.
- Some increase in HURF revenue and decrease in anticipated street tax, overall no major changes.
- As with other funds there is no budgeted use of cash carry-forward in an attempt to increase City fund balances to allow for a future establishment of restricted emergency funds. Expenses match revenues.

Funds are used during the year for variety of items which enhances and or aid us in our duties and obligations. Items such as training cost, tires, computers, emergency equipment, donations to youth activities etc.

Fiscal Year 2017-18 Budget Highlights

- Decreased revenue/expenses \$141,719.
- No RICO funds expected but some amount budgeted to allow for the revenue/expenses if received.
- One more police car lease payment due of \$8,281. This amount is reimbursable with existing City RICO funds held by the County and reimbursed upon payment request.

Sanitation Fund

The Sanitation Fund is responsible for collecting all solid waste in the City and for collecting, processing, and selling recyclable materials. The Sanitation Division consists of a supervisor, two container truck drivers, a three-man crew that does the hand pick-up in Old Bisbee, and two recycling attendants in conjunction with supervised inmate labor. Recycling facilities are located at the Cochise County Transfer Station. The community interest in recycling has increased significantly over the last few years. This increase has also provided larger than expected loads at the drop off locations. The recycling center experiences more requests from the business community than can be currently served. The City of Bisbee is the leader in Cochise County for recycling and will continue to find ways to streamline and increase the recycling effort.

Fiscal Year 2017-18 Budget Highlights

- Increased expenses \$40,270.
- Added two part time employees to recycling.
- Proposed increase of sanitation fees by 16%. The County tipping fees will increase this coming fiscal year by 16%. The rates have increased each year while the City's fee has remained the same. The City can no longer afford to supplement these increases.

Queen Mine Fund

The Mine Tour is an enterprise program for the City of Bisbee which means it operates with its own budget and funds generated from the tour are used to maintain, improve, and expand the tour as well as support the Visitors Center. Funded by the sale of tour tickets and gift shop items, the Queen Mine Tour sees over 50,000 visitors a year from all 50 states and around the world. The City of Bisbee recently entered into an agreement with Freeport-McMoRan to form a foundation that will manage the Queen Mine Tour.

Fiscal Year 2017-18 Budget Highlights

- Decreased revenues/expenses \$85,805.
- Revenue from Mine Tours and Merchandise sales is expected to decrease because of new age limit restrictions placed on the mine tours. Children under six are no longer allowed on the mine tour.
- Some use of cash carry forward budgeted to cover revenue short fall; \$200,000 of this amount is for emergency use only in the event of major unplanned repairs.
