FIRE DEPARTMENT

The Fire Department is headed by the Fire Chief, who reports to the City Manager. The Fire Department has five basic functional responsibilities:

Fire Suppression: include residential, automobile, and urban/wildland interface fires. Bisbee Fire Department practices fast attack firefighting in order to minimize the risk to life, property, and the environment. Once a fire has been extinguished, thorough salvage operations are conducted to preserve property and the environment, and return structures to habitable condition as quickly as possible.

Emergency Medical Services: are provided twenty-four hours a day by advanced life support personnel. Requests for medical aid constitute the majority of calls answered by the Fire Department. Fire Department paramedics and EMT's respond to most medical calls within three minutes.

Fire Prevention: is responsible for hazard abatement enforcement, approval of building plans, public education, environmental protection and fire safety inspections. The small number of structure fires fought annually in the City is an indication of the prevention bureau's efficacy.

Training: of the Fire Department personnel is conducted in accordance with county, state and federal standards. Firefighters, EMT's and paramedics receive updates on advances in technology, and participate in continuing education. To control costs, training is conducted in-house whenever possible.

Transfers: inter-facility transfer of patients to hospitals in Sierra Vista, Tucson, and Phoenix.

The costs of operating the department are supplemented by 911 transports as well as inter-facility transfers, and out-of-city limits emergency calls billed to customers' insurance providers.

***The 2018 call information is unavailable due to a Fire Department computer crash. Data will be provided as soon as it is retrieved. ***

Fiscal Year 2019-2020 Budget Highlights

The Fire Department budget reflects increased costs for new hires, general wage increases, fire fighter promotion study materials, increased travel for classes and training and payment to the Health EMS system to retrieve call data.

Both fire stations need building maintenance including roof and floor repair.

The Fire Department is seeking grant funding for equipment replacement and some new equipment. Please see "Public Safety – Fire Grants" fund for more detailed information.

Bisbee Fire Department and the City of Bisbee will start a new fire protection service in FY19/20 called Banning Creek Fire Wise. This service is an agreement with the residents at a yearly charge for fire protection by City of Bisbee Fire Department for areas outside of City limits. All Banning Creek Fire Wise program generated revenue will be used for wildland and urban interface equipment. Updated equipment and tools ensure Bisbee Fire Department's ability to protect the City of Bisbee and surrounding areas.

The Fire Department consist of 20 employees; all positions are filled at this time:

- Fire Chief
- 1 Fire Captain/Paramedic
- 1 Fire Lieutenant/Paramedic
- 2 Fire Captains/EMT
- 2 Fire Lieutenants/EMT
- 4 Firefighters/Paramedic
- 8 Firefighters/EMT
- 1 Rover Firefighter

SWIMMING POOL

The Bisbee Municipal Swimming Pool is a long-standing feature of Bisbee recreation. The City of Bisbee was awarded a grant for \$47,000 from Arizona State Parks in 1967 to build the pool for the youth of Bisbee. Total project cost was \$95,000 and was completed in 1969. It included a large pool with a diving board, a baby pool, and a building for changing rooms. Since then, a Ramada with picnic tables was added, the original diving board was removed, and the changing rooms have been restructured. Major repairs have been made to bring the pool into compliance with the ADA. A large donation was made in Fiscal Year 2017 to repair the baby pool, improvements were made to the grounds, and new furniture was purchased for around the pool. The pool typically opens Memorial Day weekend and closes when school resumes; however, with the help of donations and warm weather conditions the pool was able to remain open through the end of September this last pool season.

The Pool consists of nine part-time seasonal lifeguard positions and one part-time seasonal pool manager position.

COPPER QUEEN LIBRARY

Breaking News: The Copper Queen Library won the prestigious EBSCO Excellence in Rural Library Service Award, a national award that recognizes one rural library for excellence of service to its community as exemplified by special programs of significant accomplishment. Those special programs include our San Jose Annex Preschool Literacy Initiative, our very popular Seed Library, and our Mobile Internet Hotspot Lending Program. The award will be presented in June at the American Library Association Conference in Washington D.C.

The Copper Queen Library, Arizona's oldest continuously-operating public library, is owned and operated by the City. It was established in 1882 and has served the residents of Bisbee from its current location at 6 Main Street in the Downtown Historic District since 1907.

The mission of the Copper Queen Library is to provide Bisbee residents of all ages with opportunities to achieve self-directed, personal growth and development; find, evaluate, and use information in a variety of formats; and better understand the various cultures represented in Bisbee. Last fiscal year, the library greeted **37,314** adult patrons and **3,427** juvenile patrons **(up 35% from 2015-2016)**

To further its mission, the Library acquires and organizes information in a variety of media, including books, newspapers, magazines, video, sound recordings, software, and the Internet. Last fiscal year, the library circulated **55,340** items **(up 31% from 2015-2016)**, including **16,051 adult books**, **26,756 DVDs**, and **3,103 CDs** and **8,389 kids' books**. Also, **5,422** patrons used the library's public computers.

Library employees help train the public in library usage and offers educational and informational programs free to the public for both children and adults. Last fiscal year, **4,399** adults and **769** children attended programs **(up 50% from 2015-2016)**

The library also provides free meeting facilities for civic groups and other organizations. The Library elevator makes its services, programs, and collections accessible to all; additionally, both its Interlibrary Loan Service and its partnership with the Cochise County Library District enable the Library to provide services to blind and physically handicapped residents.

Highlights from last fiscal year to the present include:

San Jose Library Annex: The San Jose Annex opened its doors in December 2018 with the help of an Arizona State Library (LSTA) Grant awarded to the Library in the amount of \$25,950. In addition to a collection of over 3,000 library items, the Annex has programming for preschoolers and parents/caregivers facilitated Early Literacy Outreach Coordinator: *Open Play, Little Book Club, and S.T.E.A.M. Ahead*. The Annex will engage young patrons over the summer with an innovative Summer Reading Program that utilizes partners in the community including the National Park Service. The Annex also has public computers and free WiFi for patron use.

Internet Hotspot Lending Program: The Library received another Arizona State Library Grant (\$4000) to expand our very successful Internet Lending Program. With the grant, we will be purchasing 20 more internet hotspots and extending the service on our existing 25 hotspots.

Seed Library Grants: The Library received two grants to add new seeds to the Seed Library: Native Seeds/SEARCH and the Bisbee Bloomers. Last fiscal year, the Seed Library “checked out” 411 packs of seeds.

Food for Fines: The Library had another successful year collecting canned/nonperishable foods for the Bisbee Fire Department's Holiday Food Drive. The annual program allows patrons to pay off their overdue fines with cans of food which are then donated to the Fire Department.

Secret Santa: The Library's second annual Secret Santa allows library patrons to help reinstate a child's library borrowing privileges by replacing the lost and damaged items on their library accounts, thus clearing their delinquent accounts and returning the item back to the library's shelves for checkout.

The Library consists of four employees:

- 1 Full-time Library Manager
- 1 Full-time Program Coordinator
- 1 Part-time Library Assistant (19.5 hours/week)
- 1 Part-time Library Assistant (10 hours/week)

The library also receives assistance from volunteers who logged **over 700** volunteer hours last fiscal year, along with financial assistance from the Friends of the Copper Queen Library to help with Collection Development.

GOVERNMENT GRANTS

This fund accounts for government grants such as Community Development Block Grants (CDBG). CDBG funds are federal entitlement dollars that are awarded to cities and towns in every state. Funds are for various community development programs such as repairing or creating infrastructure. Most recently the City has used CDBG funds for the Tintown Streets Improvement Project. Rural communities receive their share in an allocation from the State. Bisbee's CDBG funds are managed by SEAGO

PUBLIC SAFETY – FIRE GRANTS

The Public Safety – Fire Grants Fund is used to account for public safety grants. Each year FEMA awards grants to eligible communities for the purchase of vehicles and equipment to enhance homeland security. In the past this funding has enabled the City to purchase a fire engine and an ambulance. More recently the Fire Department has applied for and been awarded a grant from the Fire House Subs grants which facilitated the purchase of rescue equipment.

The Fire Department is requesting a FEMA grant this fiscal year which is a shared grant request from FEMA with Naco Fire and San Jose Fire to purchase new air packs and a cascade filling system at an estimated cost of \$400,000. Bisbee Fire's current air packs are set to expire and will be out of compliance.

TRANSIENT ROOM TAX

The Transient Room Tax (aka Bed Tax) is the primary revenue source used to promote tourism in the City of Bisbee. This tax supports the Bisbee Visitor Center which serves as an official Arizona Office of Tourism designated visitor information center. This center provides information about area attractions, recreational opportunities, and hospitality amenities. As required by the Arizona Office of Tourism, the center also provides a variety of printed literature for the five tourist regions of the state. The center also provides visitor and relocation packets. As a destination marketing organization, the tourism department is responsible for securing and administering Arizona Office of Tourism Co-operative Marketing Grants; City of Bisbee and Queen Mine Tour ad placements; marketing efforts including press releases; monthly newsletter; website; social media management; hosting familiarization tours for film producers and travel writers; participating in trade shows; media missions as well as serving on the Cochise County Tourism Council. The Tourism Director is responsible for maintaining the official tourism website www.discoverbisbee.com, as well as the Discover Bisbee Facebook, Instagram, and Twitter accounts. Funding for the Visitor Center is supplemented with resources from the Queen Mine Tour Enterprise Fund and tourism grants.

The Visitor Center consists of two employees:

- Tourism Director (vacant)
- Part-time Visitor Center Office Assistant

The City also contributes towards a shared employee with the Mining Museum who staffs the Visitor Center Annex.

STREETS

The Streets Fund provides for the operation and maintenance of streets, alleys, sidewalks, stairs, drainage channels, right of ways, and street lighting throughout the City. Currently the main source of funding for the Streets Fund is the 1% sales tax adopted December 16th, 2014 and sunsets in March 1st, 2023. The purpose of this tax is per the ordinance is for “the maintenance, repair, replacement and improvement of the City streets and infrastructure.” The other major source of funding for the Streets Fund is the Highway User Revenue Fund (HURF). HURF funds are used for all costs related to street maintenance and repair. Work performed by Streets Department employees also includes repairing, replacing, or installing traffic and pedestrian signage, controlling vegetation which may impede vehicular or pedestrian traffic or the visibility of signs or markers, preparation of all events conducted in the City and clean-up after events, and open/close of cemetery plots. There are 42 miles of local streets and 15,447 lineal feet of stairs in the City. Since the City discourages the use of herbicides, the vegetation must be cleared manually on both the roadside and the stairs. There are over a dozen major drainage ways in the City that must be cleared and cleaned after storm activity. The guardrails and handrails on both the stairs and the drainage ways must be maintained and the retaining walls that belong to the City must be preserved.

The Streets Department consists of four full-time equipment operators.

RICO FUND

RICO funds are authorized by the Federal Government under the Racketeer Influenced and Corrupt Organization Act. Revenues come from the seizure of assets used in the commission of crimes when the Bisbee Police Department is involved in the investigations.

These monies are maintained by the Cochise County Attorney's Office and are transferred to the City of Bisbee after the proper paperwork is submitted to the Cochise County Attorney for approval of the expenditures. Monies are used during the year for a variety of items which enhance and/or aid in Police duties and obligations. Items such as training, tires, computers, emergency equipment, donations to youth activities, etc. are acceptable uses of these monies.

MISCELLANEOUS DONATIONS

The Miscellaneous Donations fund was established in 2008 to manage and account for the receipt and disbursement of donations and contributions made to the City for specific purposes.
