The staff would like to inform all applicants

1. That all applications on this DRB agenda will require a building permit or a sign permit.
2. That Design Review Board approval does not necessarily reflect the views and policies of the State Historic Preservation Office, which controls decisions impacting tax status of designated contributing historic properties. Please review SHPO’s policies. If necessary, contact them directly before making any exterior changes to your property.

The intent of the Design Review process as applied within the Bisbee Historic District is to:

- A. Improve and encourage uses leading to the conservation and/or rehabilitation of buildings, structures, sites, objects and spaces within the Historic District, while allowing for a vibrant, creative and livable community.
- B. Encourage harmonious growth and orderly development.
- C. Assure that future setting, design and construction will correspond to and enhance the visual characteristics of the district.
- D. Prevent construction, alteration or remodeling from occurring in a manner that would be detrimental to the historical or visual characteristics of the district.
