

Summer Update

Your Friends board members have been keeping in touch with each other via emails and Zoom meetings to help library staff meet changing needs during the pandemic closure.

We approved \$200 from the Gaab/Dunn literacy grant to mail out Summer Reading Program supplies to participating youth. We also paid for the mailing of the poetry magazine, *Copperopolis*, and 45 boxes of seeds from the Seed Library. A \$500 authorization bought storage bins and tools for the Tool Library that is housed at the Annex. A jigsaw and a circular saw will be included in addition to hand tools. Contact Jason if you have any tools to donate.

James Coull kept the twice-monthly FreeWrite program alive through email sharings.

You've probably heard that, much to our sadness, the **Altered Books fund raiser has been cancelled**. We have honored our commitment to Central School Project and paid the \$300 rental money. These partnerships sew the fabric of Bisbee.

Before the shutdown, we paid \$400 for the design and printing of 1,000 *Friends of the Copper Queen Library* brochures. We have been wanting to have a professional handout for a number of years and were very pleased with Bridget Shanahan's design.

We miss you all terribly and look forward to when we can be together again. This year's membership drive, even with Covid-19 rearing its ugly head, has brought out the best that is in all of us. Thank you from the bottom of our hearts for your overwhelming response. **As of June 30, paid memberships are \$5,470 compared with \$4,840 at this time last year**, in addition to a substantial number of donations.

Thank You for being a Friend (in case you haven't renewed your membership yet)
